

\$500 CHECK IS PRESENTED—Charles Stenholm, left, of Stamford, immediate past president of the Texas Electric Cooperatives of Texas, presents the \$500 check from TEC to Shorty McIlwain and Russell May. McIlwain, center, was BOAC (Building Our American Communities) chairman last year when the local Future Farmers of America chapter earned statewide recognition by placing first in Texas in BOAC with their work done at the Hamlin Child Care Center. May is current FFA president.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Voters living within the Hamlin Independent School District will soon be making a big decision on whether or not to support the \$1,250,000 bond election called for Sept. 11. We hope that a large majority of these voters will support this issue.

We do not believe that there is any question but what the district must rebuild the facilities lost in the fire back in March. Some voters may question the size of this building project but we do not believe that they can honestly question the need to replace our junior high school building and auditorium.

There are probably as many suggestions as there are voters as to how this can best be done. There are those who feel that we could get by with a lot less than the School Trustees have recommended and then there are those who feel that even this is not enough.

But in our view at least, the Trustees have spent endless hours studying this matter and have come up with what they consider to be of the best interest of the district and its children.

Those of us who have been out of school for some time find it hard to understand why it takes so much more in the way of facilities for a school today than it did back when we went to school. But if you spend some time around the schools of today you find that it takes a lot more programs today than it did back just a few years ago.

Added to this is that many of us only went to school in an 11-year system and now we have a 12-year system plus one year of kindergarten and already plans are underway for a second year of kindergarten.

School, like life, used to be much simpler than it is today. We can not expect our youngsters to go out into this computerized world without better tools than we were given when we went to school.

The cost of this proposed construction is high but then everything is high in this world plagued by inflation. And all indications are that things are going to continue to get higher and higher. Estimates are that if this project is delayed as much as 90 days it could cost another \$250,000.

With this in mind it is easy to see that if the voters turn down this bond issue and the board is forced to cut back and call another election that inflation itself would likely cost us as much as the board could readily find to eliminate from the program.

Because the board would be

—Continued on page 4

Pipers to Scrimmage At Olney Friday

The Pipers will travel to Olney Friday evening for their second scrimmage of the young football season, according to Coach David Bonds. The freshmen will open the controlled practice session at 6 p.m. They will be followed by the junior varsity at 7 and the varsity at 8.

Booster Club Sets Meeting Tuesday At 7

The Pied Piper Booster Club will hold its first meeting of the year here Tuesday evening in the high school cafeteria, according to Johnny Steele, president. The club will meet at 7.

Steele said that the meetings will be held on Tuesday evening instead of Monday as in the past. Along with a business meeting, the club members will be introduced to the new coaches on the staff, hear a scouting report on Rotan and see the film of the Piper scrimmage.

Booster Club memberships are now on sale and are \$5.00 per family.

To Show Film

Time to Run, a film that is a mixture of problems and solutions, will be shown at the Central Baptist Church Sunday, Aug. 31.

The feature, filmed in Eastmancolor by World Wide Pictures, will be shown once beginning at 6:30 p.m.

Jess W. (Bud) Adkins, pastor of the church, extends an invitation to all to attend.

Rotan Extension Center To Serve Hamlin Area

SNYDER—Residents of the Hamlin area interested in college courses are invited to enroll for classes at the Western Texas College extension center opening in Rotan this fall.

Classes will meet in Rotan High School from 6:30-9:20 on Monday through Thursday nights. A student will attend class one night per week for each course in which he is enrolled.

Courses to be offered are English 131, U.S. History 131, Psychology 231 and Conversational Spanish 131.

Veterans eligible for VA educational benefits may receive these benefits as extension center students just as if they were on the Snyder

campus of WTC, Dan Dever, Veterans Outreach Coordinator, said. High school seniors who wish to earn college credit may enroll in the courses with the permission of their school principal and credits earned will become part of their permanent record following high school graduation.

Persons wishing further information about the program may contact Mrs. Pat Hamric, Rotan coordinator, at 735-3041 or 735-3370 or the office of the registrar at Western Texas College in Snyder.

Extension center classes will begin Sept. 4 and students may register as late as Sept. 11.

Following his first look at the Pipers last Friday when they scrimmaged Seymour, Coach Bonds said that he was well pleased with his team. He said that since the boys did not have an intrasquad scrimmage as his teams have had in the past with the Meet the Piper night he felt they played very well under the circumstances.

He also said that he was especially pleased with the defense since they had not really spent very much time working as a full unit before going into the scrimmage.

This will be the last practice session for the Pipers before they open the season next Friday against the Rotan Yellowhammers. The Pipers will travel to Rotan for their opener and then will host Haskell here Sept. 12 in their first home game. On Sept. 19, the Pipers will travel to Clyde and then play their final non-conference game here with Cisco on Sept. 26.

The Pipers will open district play here with Anson Oct. 3, travel to Winters Oct. 10 and then host Ballinger here Oct. 17. After taking a week off, the Pipers will resume district play at Coahoma Oct. 31, play Stamford here Nov. 7 for homecoming and then close out their schedule at Colorado City Nov. 14.

As in the past the non-conference games will start at 8 and the conference games will start at 7:30.

"Don't let this community cheat our children out of these needed facilities," was the plea of Mrs. Inez Ferguson when she spoke to the Hamlin Lions Club here Tuesday noon on the upcoming school bond election set for Sept. 11.

Mrs. Ferguson was part of a panel of school personnel who presented the noon luncheon program on the need for the proposed building program. The program was presented by Marvin Carlton, junior high school principal and currently working on building program designs for the Hamlin Independent School District. Also appearing on the panel were David Bonds, athletic director, Tim Jones, band director, and Larry Butler, principal.

The Trustees of the school district have called a bond election for Thursday, Sept. 11, which will include two proposals. The first will be for issuing \$1,250,000 in bonds to build a new middle school and auditorium to replace the junior high building and auditorium destroyed in the March fire. The program would also include air conditioning the three buildings housing the lower grades and some remodeling on the present high school building. The second proposal would be for \$75,000 in bonds to construct an all weather track.

Mrs. Ferguson, who teaches in the middle school, told the Lions that most of the needs incorporated into the building program are to meet state requirements. She said, "School is a lot more complicated than it was when you and I went to school. Now seventh and eighth grade science must be taught in facilities equipped with a science laboratory."

She pointed out some of the areas where the school district is short of space under the existing temporary arrangements. Because of the need for laboratory facilities the eighth grade has been moved to the high school which has caused overcrowding at that facility. She said that four teachers are presently having to teach in two buildings, going from one to the other, because of the

Oak Grove Sets Appreciation Service for Pastor

The second service of the Fourth Appreciation Service honoring the Rev. and Mrs. Leo F. Scott will be held Sunday at Oak Grove Baptist Church.

The special service will be held Sunday afternoon at 2:30 with the Sunday School, B.T.U., Deaconess Board, Senior Mission and Mission No. 2 sponsoring.

Guest churches and their pastors to take part in the service are New Light, Abilene, Rev. Alton Hurd; Mt. Olive, Slaton, Rev. C. C. Peoples; Bethsadia, Anson, Rev. W. Jackson; Bethel, Breckenridge, Rev. Ocie Lacy; Hope Well, Rev. Monty Ashford; Mt. Zion, Abilene, Rev. I. S. Moreland; and Macedonia, Abilene, Rev. T. G. Oliphant.

The Rev. Hurd will deliver the sermon.

Choirs from the respective churches are expected to attend.

The first service held Sunday was sponsored by the Brotherhood, Usher Board, Y. W. A. and Choir.

split of junior high students.

Among the items required by state law that Hamlin does not presently have the facilities for beside the science laboratory include adequate library facilities and physical education facilities. She told the Lions that there was also not enough room for the Plan H Program, which is for educationally handicapped children, the migrant program, adult

education and the vocational and shop program.

The need for storage for books and equipment was pointed out by all the members of the panel.

Coach Bonds talked on the need for more facilities for the physical education program for the middle school children and also spoke on the need for the track facilities.

He told the Lions that

because of the conditions that the school was presently operating under, the seventh grade football games have been cancelled. He said that by the time you suit up the kids, haul them across town, haul them back and then get them back into their clothes for the next class you would only have about 20 minutes to work with them.

He said that under the proposed plan with the middle school located near the high school and the football field, the youngsters would be able to use the same football facilities as the high school without the loss of time in bussing.

In talking about the proposed track, Bonds said that about \$50,000 of the money would be needed to build the all-weather track and that the other \$25,000 would be spent to provide the equipment needed to host full scale track meets. He pointed out that with such a facility the school could host at least three track meets each spring which would bring a number of people into the community.

Jones said that the proposed auditorium-band hall complex would also permit him to host contests that could bring as many as 1,000 students into Hamlin. He said that the current high school band hall is only about half as big as is needed to handle his high school band and does not have room for equipment storage or practice rooms.

He said that with the new band hall, all of the schools' band classes could be held in one place which would cut down considerably on the amount of equipment that would be needed for three separate facilities. He also noted that with the band hall away from the academic classes there would not be the problem of noise disturbing other classes.

Butler told the Lions that the building now being used for the fifth and sixth grades was planned to be used as an Early Childhood Center but that this would have to wait until the district built a new middle school. He said that there was not any room for offices, storage, work rooms or even enough class rooms. Two Special Education teachers are using the same room and the music room is vastly overcrowded.

In closing Butler told the Lions, "Come up about two o'clock if you don't think we need air conditioning for the lower grades."

Meeting Set Tonight To Unite Fund Drives

A kick-off meeting to organize the various fund drives into one united effort for Hamlin will be held this evening (Thursday) at 8 p.m. in the conference room at City Hall.

The social agencies serving the Hamlin community will have representatives at the meeting and plans will be worked out for one major campaign. Each agency will not have individual door to door campaigns or solicitations.

To be formed is the Hamlin Community Fund Organization which will have

a board of directors, officers, general fund drive chairman and committees.

The entire community will be needed to make the united fund raising event successful.

Letters are being mailed this week from Pat Willoughby, president of the Board of Community Development, and Joe E. Ford, mayor, urging participation by everyone.

Emphasis will be placed on local programs so that the individual fund raising efforts by the Scouts, baseball, day care center, and others will be unnecessary.

Comedy Named Brazos West CSTE Coordinator

Don Comedy of Haskell was hired last week by Brazos West Development Corporation as a full-time coordinator for its Concerted Services in Training and Education for the counties of Haskell, Jones, Stonewall and Knox.

The committee met last week in Haskell to interview applicants, according to J. B.

Youth Choir Sets Fair Performances

The Sound of Celebration, youth choir of First Baptist Church, under the direction of Lynn Mink, is in rehearsal for two appearances at the West Texas Fair in Abilene.

The Reflections, New Image and Sunshine will also be featured in the two appearances, at 8:30 p.m. Sept. 10 and 9 p.m. Sept. 13.

Phone Directories Now At Herald

Telephone directories for area towns and most major cities which were maintained at the Southwestern Bell Telephone Co. office before it was moved to Sweetwater have been placed at the Hamlin Herald office.

The directories are for use by the public in the office during the regular hours from 8 a.m. to 5 p.m. weekdays.

Mrs. Kenneth Riddle, Hamlin service representative, transferred to Sweetwater with the closing of the local business office.

Customers who pay bills in person may do so at Heidenheimer's Department Store.

No School Monday

School will be dismissed Monday, Sept. 1, for Labor Day. Classes will resume Tuesday on schedule.

Tabor, chairman of CSTE Comedy will begin his duties Sept. 1, Tabor said.

Comedy, 24, has been editor of the Haskell Free Press for several years.

A 1969 graduate of Throckmorton High School, Comedy attended Cisco Junior College and Texas Tech University.

He served in the U. S. Navy and is currently in the U. S. Navy Reserve.

In previous years, he has been associated with the Lamesa Daily Reporter, Throckmorton Tribune, and Abilene Reporter-News. He also served as a legislative aide for a State Representative in the Texas Capitol.

Comedy is serving as president of the Haskell Lions Club, is a charter member of the Haskell County Jaycees, is an officer in Haskell Lodge No. 682 AF&AM, Haskell Commandry No. 49 KT, and Haskell Chapter No. 892 OES.

He is married to the former Jeannine Isbell of Paint Creek.

Bus Is Chartered for Billy Graham Crusade

A 46-passenger chartered bus has been filled for the Sept. 3 trip to the Billy Graham Crusade in Lubbock by members of First Baptist Church and arrangements are being made for additional busses as needed.

The pastor, the Rev. Howard Jones, said Tuesday afternoon that anyone in the community who would like to go to the crusade with the group may contact the church office (576-3664) and make reservations on the bus. The cost will be \$6 per person if busses are filled.

The busses will leave the church at 4 p.m. Wednesday, Sept. 3.

The Crusade in Jones Stadium in Lubbock begins

Sunday with meetings beginning at 8 o'clock each evening through Sunday, Sept. 7. Dr. Graham's visit to Lubbock is by invitation of clergy and business leaders of the community.

Three of the meetings will be taped for national television to be shown just prior to Christmas.

All seats at the Crusade are free, however, delegations of 20 or more may receive special reserve seats by writing the Crusade office at West Texas Billy Graham Crusade, P. O. Box 836, Lubbock, Texas 79408 or call 806-763-9436.

Youth nights for the Crusade are Monday, Thursday and Saturday.

IRA: WHAT IS IT?

By now, you have probably heard or read something about the new tax-sheltered Individual Retirement Accounts (IRA) which anyone not participating in a formal retirement program can establish for himself under the Pension Reform Act of 1974. Of all the reforms in that massive law, Individual Retirement Accounts (IRA) may well be the most beneficial to the average American. The key aspect to an IRA Account is that your contributions are tax deductible and the earnings in your IRA Account accumulate free from current tax.

To help you, we have answered below some of the basic questions you may have about these accounts. We would welcome the opportunity to discuss with you first hand how such an account might benefit you. There is no obligation, of course.

1. WHO CAN ESTABLISH AN IRA?

IRAs are available to any wage-earner who is not an "active participant" in a qualified retirement program and has not reached age 70½.

2. CAN HUSBAND AND WIFE EACH ESTABLISH AN IRA?

Yes, if both receive compensation, however, a wife will not be eligible to establish an IRA merely because her husband is receiving compensation.

3. BOTH MY SPOUSE AND I WORK. I AM COVERED BY A RETIREMENT PLAN BUT MY SPOUSE IS NOT. CAN MY SPOUSE OPEN AN INDIVIDUAL RETIREMENT ACCOUNT?

Yes, Either husband or wife, or both, can have IRA if they qualify.

4. CAN AN IRA BE ESTABLISHED AS A JOINT ACCOUNT?

No. An IRA is a retirement account for you, an individual. However, you can name a beneficiary if you choose.

5. CAN SELF-EMPLOYED INDIVIDUALS ESTABLISH AN IRA?

Yes. If you, a self-employed person, do not establish a Keogh Plan, you may establish an IRA covering just yourself. You do not have to cover any employees you have. You can, however, contribute for selected employees at your discretion and your contributions are deductible.

6. HOW MUCH CAN YOU CONTRIBUTE TO YOUR IRA?

Federal law allows a maximum annual contribution of \$1,500.00 or 15% of wages, whichever is less. Of course, you can contribute smaller amounts each year.

7. DO I HAVE TO MAKE CONTRIBUTIONS EVERY YEAR?

No. You decide how much and in what year you would like to deposit.

8. WHAT HAPPENS IF YOU CONTRIBUTE TOO MUCH IN ANY YEAR?

If more than the maximum allowable in any year is contributed, a 6% tax will be imposed on the excess contribution. The tax will continue to be imposed until you "undercontribute" in a later year.

9. ARE YOUR CONTRIBUTIONS TAX DEDUCTIBLE?

Yes. For Federal income tax purposes, your contributions to an IRA are fully deductible from gross income up to the maximum allowed by law. Contributions can be deducted even though you don't itemize deductions.

10. DO YOU PAY TAXES ON THE INCOME EARNED BY YOUR ACCOUNT?

The earnings of your account are not currently taxable. Each dollar of earnings produces additional earnings which also escape current income taxation. This tax-free compounding continues until retirement.

11. DO I PAY TAXES AFTER RETIREMENT?

Yes, but only as you actually receive payment from your retirement fund. If you receive your account in a lump sum, you must include the entire amount as ordinary income on the tax return filed for the year you receive payment. However, you may be eligible to use five-year income averaging provisions available to all taxpayers.

You may elect to receive payments periodically. In such case, you pay taxes only on the amount you receive each tax year.

Also, keep in mind that you will probably be in a lower income tax bracket after retirement. In addition, at age 65 you (and your spouse) qualify for a double personal exemption.

Even if you are in the same income tax bracket, you would have had the money that would have gone for taxes working for you all of these years.

12. WHEN CAN YOU RECEIVE PAYMENTS?

Under Federal law, no payments can be made to you before you reach age 59½, unless you become permanently disabled. If your death should occur sooner, funds in your account will be paid to your named beneficiary. You must begin to receive payments from your account by the time you reach age 70½.

To actually receive the funds, you simply notify us of the date you wish the payments to begin. We will supply you with the appropriate forms, upon which you can elect to receive either a lump sum or periodic annuity payments.

13. WHAT HAPPENS IF YOU TAKE YOUR ACCOUNT BEFORE AGE 59½?

If you receive all or part of your account before age 59½, and are not disabled, you will pay a stiff tax penalty. Not only will you have to include the amount received in your ordinary income for the year of receipt, but a Federal penalty tax equal to 10% of the amount received will be imposed.

14. CAN I PLEDGE MY ACCOUNT AS SECURITY FOR A LOAN?

No. This is prohibited by the Internal Revenue Service and the Bank's Master Plan. A severe tax penalty would result if you did so.

15. CAN I BORROW FROM MY ACCOUNT?

No. It is prohibited by the Internal Revenue Service and the Master Plan.

16. IS INTERNAL REVENUE SERVICE APPROVAL NEEDED?

Yes. However, we assume the responsibility for seeing that our Individual Retirement Accounts are approved by the Internal Revenue Service. So if you open an account with us, there's no delay or red tape as far as you are concerned.

17. HOW DO I OPEN AN INDIVIDUAL RETIREMENT ACCOUNT?

It takes only minutes to complete and sign an Adoption Agreement and to make your initial deposit at our Bank. We will need your Social Security number and birth date. If you name a beneficiary (optional), we will need the beneficiary's complete name, address, Social Security number and birth date. You will receive regular reports from the bank on the progress of your account. We will be glad to answer any questions you have.

18. DO I HAVE TO PAY ANY FEES TO OPEN AN ACCOUNT OR TO MAKE DEPOSITS?

No.

19. WHERE DO MY CONTRIBUTIONS GO?

They are placed in any of the interest bearing accounts the bank offers under your name as your IRA Account. They are kept separate from any other account you may have with us. Our interest bearing accounts currently range from 5% compounded daily on open savings accounts to 7½% on a six-year Certificate of Deposit. You choose the account that is best for you. Federal regulations require an interest penalty on Certificates of Deposit if cashed prior to maturity.

This chart demonstrates how your Individual Retirement Account can grow over a period of years. It presumes that \$1,500.00 is deposited on the first business day of each year and earns 7½% per annum interest. This is only an example. Deposits may be made at any time in any amount (within the annual maximum permitted), and the interest rate may vary.

AT END OF	TOTAL CONTRIBUTIONS	AT YEAR-END
5 Years	\$ 7,500.00	\$ 9,366.03
10 Years	15,000.00	22,812.18
15 Years	22,500.00	42,115.87
20 Years	30,000.00	69,828.82
25 Years	37,500.00	109,614.33
30 Years	45,000.00	166,731.56

In the above example, if at the end of 10 years, you quit depositing to your account and start withdrawing \$1,500.00 per year, you could do so indefinitely as your account would be earning more each year than you would be withdrawing.

Come See Us At . . .

Hamlin, Texas

Diane Ford, Derek Harris Exchange Vows Here Sunday

Diane Lynn Ford and Derek Edwin Harris of San Antonio were married here Sunday afternoon at 4 o'clock in a Double Ring Garden ceremony at the home of the bride's parents, Mr. and Mrs. H. L. Ford. The bridegroom's parents are Mr. and Mrs. William E. Harris of San Antonio.

The Rev. Howard Jones, pastor of First Baptist Church, officiated.

Presented in marriage by her father, the bride wore an ecru satin dress with lace inserts down the front and on the sleeves. She wore a picture hat with lace trim and carried a bouquet of summer flowers.

Mrs. Milton Reed of Abilene was matron of honor for her sister. She wore a deep orange dress and carried a bouquet of summer flowers in bright colors.

Phillip W. Northern of San Antonio was best man.

The reception followed with the bride's parents as hosts. In the houseparty were Mrs. Spencer Ford and Mrs. Jody Ford, sisters-in-law of the bride.

After a wedding trip to Dallas the couple will be at home in Lubbock at 1805 A 14th Street.

The bride, a graduate of Hamlin High School, is a sophomore at Texas Tech University.

The bridegroom, a 1972 graduate of Winston Churchill High School in San Antonio, is a senior at Texas Tech University. He is a member of Sigma Delta Chi, society of professional journalists.

Mrs. Phillips Honored On Birthday

Mrs. G. B. Phillips was honored on her 88th birthday Aug. 17 in her home by her children. Those hosting the event were Mr. and Mrs. Benson Phillips of Breckenridge, Mr. and Mrs. Elam Ewing of Sweetwater and Mr. and Mrs. George Tompkins of McCamey. Also hosting but unable to attend were Mr. and Mrs. Jack Phillips of Lubbock.

Other members of the family present were Clinton Ewing of Sweetwater, Mr. and Mrs. George Adams and family of Snyder, Jack Tolbert of Hamlin, Mr. and Mrs. Frank Weaver and Mr. and Mrs. R. M. Weaver and family, all of Ft. Worth.

Others attending the party were Mr. and Mrs. George Tabor and son of Everman, Mr. and Mrs. Virgil Tupin of Somerset and Mrs. Nellie Nichols of San Angelo.

The birthday cake for the occasion was baked and decorated by her daughter, Mrs. Elam Ewing.

Ruth Class Meets Here Tuesday

The Ruth Sunday School Class of Central Baptist Church met Tuesday afternoon for their monthly meeting in the home of Mrs. M. L. Haught.

The opening prayer was given by Mrs. W. J. Stewart who also gave the devotional on John 14. A Bible quiz was conducted by Mrs. Troy Money. The closing prayer was given by Mrs. R. Y. Cloud.

Others attending were Mmes. L. H. Clark, A. N. King and N. A. Putnam.

Refreshments were served.

New Son

William Robert Kitchen, new son of Mr. and Mrs. Bill Kitchen, Rt. 1, Hawley, arrived Aug. 21, at Stamford Memorial Hospital weighing 7 lb. 11 oz.

Maternal grandparents are Mr. and Mrs. Sam Carver of Hawley. Paternal grandparents are Mr. J. D. Kitchen of Stanton and Mrs. J. D. Kitchen of Hamlin.

Great-grandmother is Mrs. Grace Engles of Sapulpa, Okla.

MR. AND MRS. DEREK EDWIN HARRIS
...wed here in home ceremony

Holiday Lodge News

Residents celebrating birthdays this month were given a party by Mmes. Burt Fomby, Clinton Barrow, A. B. Carlton and Bill Rountree. They sang "Happy Birthday" and served refreshments and presented gifts to the honorees.

Members of the First Baptist Church held the weekly Bible class. Rev. Marshall Stewart conducted the Sunday School class. Afternoon church services were held by Central Baptist Church.

Homemakers Sunday School Class of First Baptist Church conducted the weekly Bingo game Monday evening. Cindy White played the piano for group singing, led by Mrs. Bob Hawes.

Several residents had visitors this week. Out-of-town guests included Mrs. Flowers' daughter-in-law from Noodle, Mrs. Williams' sister and brother-in-law from Merkel, Mrs. Stell's son and family from New Mexico and Mrs. Bond's son and family from New Mexico. Mrs. Flora Carter spent the day in Sweetwater with her daughter and family.

Anyone wishing to do volunteer work at the Lodge

may call Mrs. Buddy Lawlis, Activity Director, at 576-3643.

The Homemakers Sunday School class is asking for donations of small items suitable for Bingo prizes for the residents. Handkerchiefs and socks for men and toiletries in plastic containers for men and women are suggested. These items may be taken to Mrs. Bob Craig, Mission Action chairman, at the Hamlin Herald or call 576-3606 or 576-3756 for these to be picked up.

PRIMARY SCHOOL MENU

Thursday: Hamburgers, potato chips, baked beans, cake and milk.

Friday: Fish and catsup, English peas, corn, peaches, rolls, butter and milk.

Tuesday: Ham and potatoes, green beans, fruit Jello, rolls and milk.

Wednesday: Meat loaf, pinto beans, spinach, fruit Jello and cornbread.

Thursday: Hamburgers, lettuce, tomatoes, onions, French fries, milk and cookies.

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Mr. and Mrs. David Roman of Lubbock visited in the home of Mr. and Mrs. Grady Cook Sunday and attended services at McCaulley Baptist Church. Mrs. Roman is the Cooks' granddaughter.

Mrs. B. F. Kemp of Holiday Lodge, Hamlin, visited in the home of Mr. and Mrs. Frank Kemp Sunday.

Mr. and Mrs. Jim Dixon are keeping their grandson, Jeremy Lynn Beal, this week while his parents, Mr. and Mrs. Charles Beal, are on a business trip to Utah.

Mr. and Mrs. Edd Farmer and children visited with Mr. and Mrs. Harley McGough and Mr. and Mrs. Hubert Farmer of Clyde this weekend.

Mr. and Mrs. Robert McDonald have moved their mobile home into McCaulley just north of the Davis home.

McCaulley Eagles were the victors Friday night of the scrimmage with Moran. McCaulley had ten players and Moran had fourteen. Coach Farmer said his defense looks good but he had some work to do on the offense this week before they scrimmage with Water Valley at Blackwell Friday night. Game time is 7 p.m.

Mr. and Mrs. Billy Jeffrey, Fonda and Todd and Eddie Gibson attended the Gibson

Reunion at Lake Brownwood last weekend. Mr. and Mrs. Truett Jeffrey also attended.

Renovation and remodeling of the school buildings at McCaulley is about finished. Our thanks and appreciation to Mr. and Mrs. Edd Farmer, Mr. and Mrs. Robert McDonald, Mr. and Mrs. Willard Franklin, Mr. and Mrs. Don Story, Mr. and Mrs. E. T. Gibson, Mr. and Mrs. James Smart and I am sure Bill Young was on duty until late hours at night helping to get the buildings in order.

Mrs. Evelyn Carter is Pep Squad sponsor, Annual Sponsor and in charge of Student Activities although other sponsors have not been selected. Plans now are for an open house in the near future to acquaint the community with the new faculty members and the changes in the school plant.

Eastern Star Sets Meeting

The obligation program conducted by Mrs. Cal Sewell will be held Tuesday at 8 p.m. in the Masonic Lodge Hall for all members of the Order of Eastern Star.

Mrs. Herbert Crouch, worthy matron, urges all members to attend.

FOR CYSTIC FIBROSIS—

'Kiss Your Baby Week'

Mothers who participate in "Kiss Your Baby Week" beginning Sunday, Aug. 24, may be giving their children the kiss of life.

One of the signs of cystic fibrosis - the most serious lung-damaging disease - is a salty taste of the skin. That's why the Cystic Fibrosis Foundation is asking mothers to "Kiss Your Baby" with very special attention.

If a mother does taste salt on her baby, she should see the doctor and make sure the baby has a test for CF. Early diagnosis and immediate treatment are vital to the child's life.

Additional signs of cystic fibrosis - and other lung-damaging diseases are: recurrent wheezing; persistent coughing with excessive mucus; pneumonia more than once; excessive appetite but poor weight gain; clubbing (enlargement

of fingertips), persistent bulky diarrhea and nasal polyps.

One out of every 1,500 babies has cystic fibrosis and many people don't realize that it is the number one genetic killer of children. For children who are diagnosed early, the outlook is very hopeful. Children with a chronic cough and wheeze sometimes are confused with allergy patients. They should have a sweat chloride test for cystic fibrosis.

Local chapters of the Cystic Fibrosis Foundation may be contacted for further information. Mrs. Robert Perry is local chairman. She has set the local drive here Sept. 22.

Jan Young Honored With Shower Here

A kitchen shower luncheon honoring Jan Young, bride-elect of Charles Sellers, was held Saturday in the home of Mrs. James Harrison with Mrs. Robert Fowler assisting as co-hostess.

The serving table was centered with an arrangement of white figi mums, ball mums and pom pom mums in a tea kettle which was presented as a gift to the bride-elect from the hostesses.

Guests were seated at foursome tables covered with red and white gingham cloths. Centerpieces were arrangements of mums in white vases tied with red and white gingham bows.

Special guests were the honoree's mother, Mrs. Gerald Young; her fiancée's mother, Mrs. Cecil Sellers; the honoree's sister, DeDe Young; the sister of the prospective bridegroom, Sue Sellers; the honoree's grandmother, Mrs. E. G. Young; and sister-in-law of the prospective bridegroom, Mrs. Cecil Sellers Jr. and daughter Renee, both of Sweetwater.

Other guests were Elaine and Elise Kelley, Rita Casey, Jan Ford, Mrs. Jerry Gooch, Mrs. Robert Moore, Mrs. Bob Briscoe, Kathy Tibbles, Marilyn, Carolyn and Lynda Harrison.

Mr. and Mrs. Johnny R. Miller and daughter of Clovis, N. M., visited in the home of his uncle, Mr. and Mrs. Fred Rosenbaum, over the weekend.

BEEN ON A TRIP? That's news call the Herald.

BIRTHDAYS CELEBRATED—Holiday Lodge residents honored at a Birthday Party Aug. 18 are from left, Jimmy Raney, Myrtle Bond, John Hayes, Roy Hudson and Norma Neighbours. A red, white and blue theme was used in decorations.

Bank Financing With Approved Credit

This weekend, call any other state* and talk five minutes for 86¢ or less... usually less!

*Except Alaska and Hawaii

Our weekend One-Plus rates are so low that you can talk awhile and still spend less than a dollar. For instance, a five-minute coast-to-coast Long Distance call dialed direct all Saturday and Sunday until 5 p.m. is only 86¢. An out-of-state call spanning fewer miles costs even less. If you can't wait till the weekend these same low rates are in effect every night from 11 p.m. to 8 a.m.

Where One-Plus dialing isn't available, One-Plus rates apply on station calls. If you dial direct and reach a wrong number, call the operator. You won't be charged.

Travel by Long Distance... and stay awhile.

For rates to Alaska and Hawaii, call the operator. One-Plus rates don't apply to person, coin, hotel-guest, credit card or collect calls, or calls charged to another number.

Emmett Kelly Jr.

FROM THE FILES . . .

FIFTY YEARS AGO
(Aug. 21, 1925)
Probably the best attended picnic in the history of Hamlin was held last week. For three days attractions were held and several thousand were present each day. The second day, being the barbecue day, was the biggest. It was estimated that 7,000 or 8,000 people were in attendance. The picnic committee had 4,590 pounds of beef cooked, 60 gallons of pickles, 100 pounds of onions, 1,200 loaves of bread, six wash pots full of coffee and to keep the crowd well cooled, there were 15,300 pounds of ice used on the three days.

This week the Jones Dry Goods Store is shifting their goods into the building next door north. They have recently constructed a new front that is very modern, thus enabling a better display of goods.

Since the first of July the Hamlin Baptist Church has been without a pastor, but this next Sunday, a new pastor will begin his work here. The Rev. J. Henry Littleton and his wife arrived Monday from Cross Plains where they closed their work to accept the Hamlin field.

The cotton season slipped upon Hamlin with a boom Tuesday, with not one but three bales of cotton being ginned as an opener. The first to arrive in town was that of C. A. Hilterbrand, weighing 520 pounds and being ginned at the Planters Gin. It was bought by John T. Day for twenty-three and one-half cents.

TWENTY YEARS AGO
(Aug. 19, 1955)

Hamlin's first bale of 1955 cotton came into town Monday, Aug. 15, which was one day earlier than last year's initial bale. R. J. Waddle, farming six miles southeast of Hamlin, harvested the first bale of the new season. The ginned bale, which was a whopper of 590 pounds, was processed from 2,270 pounds of seed cotton, also produced 1,030 pounds of cottonseed. The bale of cotton was picked from 13 acres and was ginned by the Hamlin Farmers Cooperative Gin.

About 90 musicians had enrolled by Tuesday in the pre-school band clinic being conducted for two weeks by Jess Parrish, director of the Hamlin High School Bands. Classes in general instrument handling and playing are being conducted this week, and next week will be devoted to marching.

Eight Hamlin people were among the more than 325 from 32 West Texas counties who last week attended the first of a series of six district school lunchroom workshops, held at Texas Technological College at Lubbock. Attendants from Hamlin were High School Principal and Mrs. B. V. Newberry, Mrs. A. F. Dixon, Mrs. Edd Rodgers, Mrs. L. B. Petty, Mrs. Cecil Brown, Mrs. Travis Conner and Mrs. Eva Eades.

After nine years' service as superintendent of Hamlin Schools, I. R. Huchingson announced Wednesday morning that he had accepted the position as executive director of the Texas Lions Club Crippled Children's Home at Kerrville. He will resume his new post Sept. 1. Named as new superintendent of the Hamlin Schools is Foster Cook of Spur.

TEN YEARS AGO
(Aug. 19, 1965)

Superintendent of the Hamlin School system, Mr. C. F. Cook, announced recently that the Hamlin school will open Monday, Aug. 30. Registration dates will be announced by each principal. Cook said the roster of the faculty is complete and will be announced next week.

Five hundred pounds of dressed beef will be barbecued Saturday for the annual Booster Club Barbecue to introduce the Piper coaching staff and players to the local fans. The event is sponsored each year by the Pied Piper Booster Club with the merchants and individuals of Hamlin handling the cost through donations. Everyone is invited to the free barbecue that will start at 7:30 p.m. Saturday evening, according to Sam Ferguson, president. The High School band will play for the event. Members of the Booster Club include: Ferguson, president; Lewis Wolf, vice president; Burt Oliver, secretary-treasurer; and Raymond Scifres, Bill Chapman, Pearce Davis and Bernie Cumble, directors.

An open house at the new clubhouse at Lake View Golf Course is being planned for Sunday from 2 to 5 p.m., according to the president, R. D. Compton. The new building,

of concrete block construction, features a large room approximately 20 x 45 feet, men's and women's lounges, a kitchenette, a pro shop and a covered porch, the length of the building. The interior of the modern air conditioned building is done in beige tones with white ceiling.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

faced with the need to make big cuts in the program if this issue fails it is obvious that those who are interested in seeing the lower grades get their air conditioners and those who might like to see the band have a new band hall had better get out and work for this issue.

We do not know it to be a fact, but it seems obvious to us that this is the only chance there will be for the lower grades to be air conditioned. We strongly doubt that the district could ever come up with the money any other way except an overall program such as this one.

We have no way of knowing, but it would seem to us that if this issue fails to pass this time that the board might be faced with the problem of even eliminating the auditorium from the project on the next time around. With the built-in inflation factor being what it is, that is about the only way that we can see that the issue could be cut down enough to make any appreciable impact on the amount of bonds that would be needed.

With inflation adding another big hunk to the cost of any delay in the construction, just cutting out some of the smaller items in the overall program would not likely lower the cost enough to make the issue any easier to sell the second time around.

Sure, the \$1,250,000 bond issue is a lot of money, but to just sit back and let the school system and the city of Hamlin slide backward into oblivion could be much more expensive for all of us.

Spanish Speaking Service Saturday

An all-Spanish speaking service will be held Saturday at 7:30 p.m. at the Little Rock Church (United Pentecostal), 219 N. E. Ave. B.

Rev. Felix Nito de Ballinger will be the special speaker, according to the local pastor, the Rev. Jimmy Skiles.

Rev. Skiles said there will be lots of good gospel singing, preaching and worshiping in Spanish. Everyone is invited.

for the Days AHEAD

Even now trees are being felled, cords of wood cut, in preparation for cold winter days which are sure to come. Woodcutters are preparing for the days ahead, to bring comfort against the cold.

To prepare for our future "cold days," periods of sadness, times of bereavement, and times when we are tempest tossed, begin now to attend church regularly and let God, His Church, and His people help you to meet any situation in life.

"Blessed be God, even the Father of our Lord Jesus Christ, the father of mercies, and the God of all comfort; who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God." 2 Cor. 1:3, 4.

Philosopher Claims He Knows Why Russia Unable to Produce All the Grain It Needs

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One gives a scientific explanation of why Russia can't produce all the food it needs.

Dear editor:

A neighbor the other day asked me a question. "Why," he said, "can't the Russians grow all the grain they need? They've got more land than we have, they've got more people, they've got enough tractors, they're even exporting tractors, so why can't they feed themselves?"

Obviously, he doesn't understand the soil in Russia. You see Russian soil is not all the same.

For example, as you know, the state over there owns all the land, and what a farmer produces on that land goes to the state, with one exception. Each farmer is allowed a small plot, maybe a fifth of an acre, maybe a half, but not more than one whole acre, on which he can grow what he pleases and keep it all himself or sell it and keep the money.

It's amazing how much better those small plots are than the rest of the farm. Why the average Russian farmer can grow ten times as much per square foot on his part than he can on the state's.

This has baffled the Soviet leaders. They just can't figure it out. The land is the same, they say, one part gets just as much or as little rain as the rest, yet invariably the small plots out-produce.

I understand this matter has come up before the

Politburo year after year, but not a single Russian leader has found the answer. Even Russian scientists are baffled by the problem, or if they aren't baffled they ain't

Omar Burleson Commended By Business Group

Washington, D. C. — Congressman Omar Burleson was congratulated today by the National Federation of Independent Business (NFIB) for his strong voting record in support of small business. Representative Burleson voted 91 per cent in favor of the legislative positions taken by the nation's independent businessmen and women.

Commending the Congressman, Wilson S. Johnson, President of NFIB, praised Congressman Burleson for his "outstanding effort on behalf of small business." He continued, "NFIB believes it is vitally important for Members of Congress to be aware of the important role played by small business in their local communities and in the nation's economy."

In response to the NFIB commendation, Congressman Burleson had this comment: "It is, of course, gratifying to have this recognition. My record in support of small business is no more than it should be. Small, independent business personifies our private enterprise system and serves a vital role in our society."

saying nothing. It's cold in Siberia.

I can see the Minister of Agriculture tackling the problem himself. "Ivan," he says, after Ivan has just come in from an 8-hour day on state-owned land driving a state-owned tractor that needs oil but he'll get around to that tomorrow or sometime, "how is it that you always produce better cabbage in your garden here than you do out there in the field?"

"I've always wondered about that myself," Ivan probably says. "It's hard to explain. Maybe the soil is better. Here, take this nice head of cabbage home to your wife and kids. Want some of these potatoes? They taste better than those field-grown ones."

There's a great opportunity in Russia for better soil scientists.

Your faithfully,
J.A.

CAPITAL HIGHLIGHTS— Campaigns For and Against Constitution Launched

AUSTIN — Campaigns for and against a new Texas constitution are getting off the ground.

Proponents of the far-reaching revision to be voted on November 4 have opened an Austin headquarters under the direction of former State Supreme Court Chief Justice Robert W. Calvert and State Rep. Ronald Earle of Austin.

Opponents, for the time being led by State Sen. Peyton McKnight of Tyler, are setting up shop in an office building across the street.

First copies of a proposed voter's guide to the revision document were placed in the mail last week. They present complete text of the eight propositions to be voted on, with a comparison summary of the "old" and "new" constitutional provisions.

Acknowledged opposition has centered largely on the proposal for annual sessions of the legislature — a 140-day session during odd-numbered years and a 90-day meeting on even-numbered years.

House Speaker Bill Clayton and Lt. Gov. Bill Hobby, concerned over effect of the opposition, asked an attorney general's opinion on whether the short, even-year session could be limited by law or legislative rule to budgetary and emergency matters.

Their proposal immediately stirred strong disapproving comment from both proponents and opponents of revision, indicating, perhaps, a hot campaign during the next three months.

Ouster Rules Drawn A Senate committee approved rules for the impeachment trial by 31 senators of 229th District Judge O. P. Carrillo September 3.

Carrillo personally appeared at the committee hearing with his attorneys Leon Jaworski, the former Watergate prosecutor, who will be special counsel to the Senate presiding officer, urged proceedings be conducted "on a high plane in strict accord with the rules."

The committee tentatively approved live broadcast news coverage of the trial and recommended a gag rule to restrict comments by senators on proceedings in which they sit as court and jury.

Carrillo subsequently has been indicted by a Jim Wells County grand jury. He already faced a September 8 trial date on an income tax case in federal court at Corpus Christi and an October 2 hearing by a Judicial Qualifications Commission master in removal proceedings.

Allowable Wide Open Again

The Railroad Commission set the oil allowable for the 42nd straight month at 100 per cent of potential.

Franklin Shearer At Camp Buckner

West Point Cadet Franklin A. Shearer, 19, son of Mr. and Mrs. Franklin C. Shearer, is attending summer training at Camp Buckner on the reservation of the U.S. Military Academy.

The training includes familiarization with weapons, survival techniques, tactical skills, field engineering and leadership development.

Garry K. Kiser

Completes Training

Navy Seaman Garry K. Kiser, son of Mr. and Mrs. Raymond K. Kiser of Sylvester, was graduated from recruit training at the Naval Training Center, Orlando, Fla.

Classes include instruction in seamanship, military regulations, fire-fighting, close order drill, first aid and Navy history.

He is scheduled to report to Electronics Technician School, Great Lakes, Ill.

Commissioner Jim Langdon said a 15 per cent short fall is expected in interstate gas pipelines this winter.

Any action by the federal government to take Texas gas reserves to make up for shortages in other states would amount to "a rape of

Chillicothe Field Tour Scheduled

Field tours are scheduled Sept. 16 at the Texas A&M University Agricultural Research Station at Chillicothe.

Dr. Ed Clark, of the Texas Agricultural Experiment Station and director of research at the Chillicothe unit, said visitors on Sept. 16 would see the results of studies with cotton, grain sorghum, guar and sunflowers.

The Experiment Station scientists seek to improve the resistance of the crops to insects and diseases, as well as the yields.

Also featured will be exhibits and presentations dealing with horticultural crops.

Michael Lanning Receives Award

Army Captain Michael L. Lanning, son of Mr. and Mrs. James M. Lanning of Sylvester, was awarded the Expert Infantryman Badge while assigned to the 3rd Infantry Division in Schweinfurt, Germany. The badge is the Army's highest non-combat proficiency award for infantrymen.

Capt. Lanning qualified for the award through proficiency in combat tactics, weapons firing and physical fitness tests. He also passed a series of written examinations.

He is commander of Company A, 2nd Battalion, 30th Infantry of the division.

Texas," Langdon commented.

"If it is a cold winter, and indications are that it will be, things are going to be pretty tough, gentlemen," Langdon told oil and gas company representatives at the Commission's meeting to set the allowable.

AG Opinions A state representative who intentionally charges expenditures to the state in

excess of the authorized amount is subject to prosecution under the penal code, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

—A motion for discovery rather than the Open Records Act is the appropriate means for access to information in a welfare recipient's case file concerning pending criminal charges against him.

Some Read The Bible; Some Listen To It

A harried businessman on his way to an important conference, a homemaker struggling with her housework, a family taking small children on a long car trip have one opportunity in common—a chance to listen to the Bible.

The catchword was "listen," not read.

Because *The Living New Testament* is now available in stereo cassette form.

And since it is, the men, women, and children who haunt the pages of religious history have come alive for today's readers.

The shepherds minding their flocks on the Judean hillsides are not the only ones to hear the angels sing of Jesus' birth. Wily King Herod questions more than the wise men about the newborn king and the devious pharisees demanding answers of Jesus speak also to today's listeners.

The counsel of Paul is available for those who listen as he describes the Way for the people of the Way.

"I took those tapes to my office the day they arrived," said the businessman earnestly. "Before I go to important conferences I make it a point to listen for about 30 minutes to portions of Paul's letters or from one of the Gospels. They give me the spiritual insight to make correct decisions."

"We've also been delightfully surprised that children have so readily adopted the cassettes," said Dr. Kenneth Taylor, paraphraser of *The Living Bible*.

"Children seem fascinated by the drama, especially if

they are acquainted with the scripture at all. And we've had many parents tell us that their children won't get in a car for any kind of trip without having the cassettes and player with them. They nudge each other and say, 'listen to the rooster crow,' or 'listen to the music.'"

Another parent suggested the tapes are particularly appropriate for family devotions. "That way you have a dramatic program that both entertains and inspires," she said.

The tapes also are particularly fine for the elderly who can not read for any length of time but still would like to listen to the Bible being read.

This appealing new way to get acquainted with the Bible through listening rather than reading is the result of months of hard work involving at least 20 professional actors. Some of them, using different voices played numerous roles in taping the script.

The Living New Testament in cassettes was taped at Domain Agency, Inc., in Wheaton, Ill. Domain Agency has many years of experience in working with Christian broadcasters.

"We live in a day of electronics and it seemed that putting *The Living New Testament* in dramatic form would have great appeal," said Mrs. Faith Main of the agency.

"It all came about because Dr. Kenneth Taylor saw the need to add another dimension in sharing the

word with as many people as possible."

Taping was directed by Jim Grant, a writer, actor, and film director who also narrated *The Living New Testament*. The man who portrayed the Apostle Paul in the work was Dick Noel, for six years an announcer for Lowell Thomas.

After the narration was completed—a job requiring nearly six months—sound effects and music were added. Then Grant went back through the entire master tape to add the chapter numbers.

"We recorded without chapter breaks in order to add continuity to the message," said Mrs. Main. "After we finished, Dr. Taylor suggested that adding the chapter numbers would make it easier to locate certain places in the Scriptures. But even those additions were included so carefully that they don't break the thought."

Dr. Taylor said the cassettes were "an exploratory venture in the beginning, but people have responded to them. And we were thinking in terms of people, in terms of bringing the text alive for them when we decided to go ahead with the cassettes."

"After all, faith comes by hearing and hearing by the word of God. And faith is what we're trying to encourage with the *Living New Testament* cassettes."

A person interested in listening from the first chapter of Matthew straight through to Revelation 22 can do so in only 20 hours.

Cancer Society Board Members To Meet Monday

Board members of the Jones County Units, American Cancer Society, will meet Monday, Sept. 8, at 7 p.m. at Cliff House Restaurant, Stamford, according to Board President Don Howard, Stamford School Superintendent.

Dr. Dale Brannon, Abilene physician, will be guest speaker. He has served many years in the work of the American Cancer Society in Jones and Taylor Counties and is now District Executive Committee Chairman, District 16, Area VI, ACS.

Mrs. W. L. Hunter Jr. of Hamlin, vice president of the Jones County Unit, is program chairman for 1975-76. She stated, "The Unit encourages and conducts programs for the continuing education of the public concerning cancer, fosters programs of service and rehabilitation for cancer patients, and is active in Crusade and Memorial programs." Mrs. Hunter added, "And all of this is done through volunteers—Jones County people volunteering their time and their talents."

Other officers are Mrs. B. B. Gay, recording secretary; Mrs. Eck Gillespie, treasurer; Mrs. George Kinney, assistant to the President; and Mrs. John C. Bryant, assistant to the Vice President.

Memorials to the American Cancer Society may be sent to Miss Arrie Barrett, 1320 Ave. K, Anson; Mrs. Kenneth Riddle, 112 S.W. Ave. E, Hamlin; and Mrs. James H. West, P.O. Box 173, 500 Adams Rd., Stamford.

Hamlin board members are Mmes. John C. Bryant, Robert Fowler, W. L. Hunter Jr., Lois Patterson, Kenneth Riddle, Ann Sipe, Miss Jean Dillard, Miss Buna Rountree, and Dr. and Mrs. Joe Don Hymer.

Card of Thanks

CARD OF THANKS
We wish to thank our many friends for every act of kindness shown us during our time of sorrow. The lovely cards sent to Curtis during his long stay in the hospital in Houston meant so much to him and were appreciated by all of us. These words can't express our appreciation during these last days to everyone for every kind deed. The lovely flowers, food, cards, and thoughtfulness from all of you. We would like to especially thank Bros. Stewart and Robinson, also each and everyone who took part in the choir. May God bless all of you. We shall always remember you with love.
The Family of Curtis Stevenson

CARD OF THANKS
With grateful hearts, we thank all those who did so much to help us in our time of grief. The kindness and thoughtfulness shown us was indeed helpful.
The family of Alvin Lakey

NOTICE OF BOND ELECTION
THE STATE OF TEXAS COUNTIES OF JONES, FISHER & STONEWALL
HAMLIN INDEPENDENT SCHOOL DISTRICT
TO THE RESIDENT QUALIFIED ELECTORS OF THE HAMLIN INDEPENDENT SCHOOL DISTRICT:

TAKE NOTICE that an election will be held in the HAMLIN INDEPENDENT SCHOOL DISTRICT on the 11th day of September, 1975, in obedience to a resolution and order duly entered by the Board of Trustees of said School District, which is attached hereto and made a part of this Notice for all intents and purposes.

WITNESS MY HAND AND SEAL OF SAID DISTRICT, this 18th day of August, 1975.

Lewis E. Madden
Secretary, Board of Trustees
Hamlin Independent School District

RESOLUTION AND ORDER CALLING BOND ELECTION
THE STATE OF TEXAS COUNTIES OF JONES, FISHER & STONEWALL
HAMLIN INDEPENDENT SCHOOL DISTRICT

WHEREAS, the HAMLIN INDEPENDENT SCHOOL DISTRICT has heretofore established a maintenance tax under the provisions of Article 2704e-1, V.A.T.C.S., as a result of the election held on the 11th day of May, 1963, and WHEREAS, the Board of Trustees of the HAMLIN INDEPENDENT SCHOOL DISTRICT deems it advisable to issue bonds under the provisions of Chapter 20 of the Texas Education Code by submitting (at an election called for the purpose) the propositions hereinafter set forth; therefore,

BE IT RESOLVED AND ORDERED BY THE BOARD OF TRUSTEES OF HAMLIN INDEPENDENT SCHOOL DISTRICT:

SECTION 1: That said election shall be held on the 11th day of September, 1975, at the High School Gymnasium, Hamlin, Texas, and the entire District shall constitute one election precinct for said election.

SECTION 2: That the following named persons are hereby appointed officers of the election: Mrs. Joyce Scott, Presiding Judge; Mrs. LaFoy Patterson, Alternate Presiding Judge.

The Presiding Judge shall appoint not less than two or more than ten qualified clerks to serve and assist in holding said election; provided that if the Presiding Judge herein appointed actually serves, the Alternate Presiding Judge shall be one of the clerks.

On election day the polls shall be open from 8:00 A.M. to 7:00 P.M.

Mrs. J. O. Murphree is hereby appointed as the Clerk for absentee voting for said election, and the Superintendent's Office in the High School, Hamlin, Texas, in said District, is hereby designated as the place at which absentee voting shall be conducted for said election. For the period absentee voting is permitted by law, the hours designated for absentee voting shall be from 8:00 A.M. to 4:30 P.M. on each day except Saturdays, Sundays and official State holidays.

SECTION 3: That at said election the following propositions shall be submitted:

PROPOSITION NUMBER 1

"SHALL the Board of Trustees of the HAMLIN INDEPENDENT SCHOOL DISTRICT of Jones, Fisher and Stonewall Counties, Texas, be authorized and empowered to issue the bonds of said District to the amount of ONE MILLION TWO HUNDRED FIFTY THOUSAND DOLLARS (\$1,250,000) for school building purposes, to wit: the construction and equipment of school buildings in the District and the purchase of the necessary sites therefor, and shall there be pledged and levied, assessed and collected annually ad valorem taxes on all taxable property in the District sufficient, without limit as to rate or amount, to pay the principal of and interest on said bonds as the same become due, said bonds to be issued in one or more series or issues to mature serially or otherwise not more than FORTY (40) years from their date, and to bear interest at such rate or rates as in its discretion the Board of Trustees shall determine?"

PROPOSITION NUMBER 2

"SHALL the Board of Trustees of the HAMLIN INDEPENDENT SCHOOL DISTRICT of Jones, Fisher and Stonewall Counties, Texas, be authorized and empowered to issue the bonds of said District to the amount of SEVENTY-FIVE THOUSAND DOLLARS (\$75,000) for school building purposes, to wit: the construction and equipment of school buildings in the District and the purchase of the necessary sites therefor (athletic field improvements, track), and shall there be pledged and levied, assessed and collected annually ad valorem taxes on all taxable property in the District sufficient, without limit as to rate or amount, to pay the principal of and interest on said bonds as the same become due, said bonds to be issued in one or more series or issues to mature serially or otherwise not more than

FORTY (40) years from their date, and to bear interest at such rate or rates as in its discretion the Board of Trustees shall determine?"

SECTION 4: That the official ballots for said election shall be prepared in accordance with V.A.T.S. Election Code, so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid propositions which shall be set forth in substantially the following form:

PROPOSITION NUMBER 1
"THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

PROPOSITION NUMBER 2

"THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF (ATHLETIC FIELD IMPROVEMENTS, TRACK)"

The word "FOR" and beneath it the word "AGAINST" shall be made to appear on the left of each proposition. A square shall be printed on the left of each of the words "FOR" and "AGAINST", and each elector shall place an "X" in the square beside the statement indicating the way he wishes to vote.

SECTION 5: All resident qualified electors of the District shall be permitted to vote at said election. In addition, the election materials enumerated in Senate Bill No. 165, Acts of the 64th Legislature, Regular Session, 1975, shall be printed in both English and Spanish for use at each polling place and for absentee voting.

SECTION 6: A substantial copy of this resolution and order shall serve as proper notice of said election and said notice shall be published one time at least ten (10) days prior to the date set for the election in a newspaper of general circulation in the District.

PASSES AND APPROVED, this 18th day of August, 1975.

W. T. Johnson
President
Board of Trustees
Hamlin Independent School District

REDDY'S REFRIGERATOR SAVINGS TIPS

- Return fresh foods to the refrigerator and frozen foods, such as ice cream, to the freezer as soon as possible. Measure and remove the quantity needed for cooking or for the table, and refrigerate the remainder at once.
- Use cold controls efficiently by selecting the settings that provide about 36° F. in the refrigerator and 0° F. in the freezer.
- Fill the refrigerator with food, but be careful not to overfill. Make sure that food packages don't block air vents in the freezer or refrigerator section.
- Clean the condenser surfaces of the refrigerator, dirt restricts air flow and acts to insulate the condenser, forcing the refrigerator to work harder and longer to maintain proper temperatures.

42 Predicted to Die In Labor Day Traffic

Austin State Public Safety Director Wilson E. Speir today estimated that Labor Day Weekend traffic in Texas will claim 42 lives.

The holiday period extends from 6 p.m. Friday, August 29 through midnight Monday, September 1. During a comparable period last year, Texas traffic killed 51 persons.

"Traffic will be particularly heavy near recreational areas such as beaches, lakes and campgrounds. Actually, in these situations, motorists need to be extra watchful for children playing and other pedestrians. Also, persons towing recreational vehicles and boats should be mindful of extra stopping distances and other problems unique to trailers," Speir said.

The DPS director called on motorists to cooperate in law enforcement efforts to hold speeds down during the holiday, noting that "excessive speed is still our top accident problem."

Funeral Services Set Today for Sharon Cary Beach

Sharon Cary Beach, 34, died at 10:45 p.m. Tuesday at Hamlin Memorial Hospital. Services will be held Thursday at 5 p.m. at First Baptist Church with the pastor, the Rev. Howard Jones officiating, assisted by the Rev. Bud Adkins, pastor of Central Baptist Church. Burial will be in Hamlin East Cemetery conducted by McCoy Funeral Home.

Born Oct. 18, 1940, in Hamlin, she was the daughter of Mr. and Mrs. Robert Cary Sr. She attended school at Hamlin High School. She married Richard Beach in California. He preceded her in death in 1967.

She is survived by her parents; two sons, Larry and Todd, both of the home; four brothers, Robert Cary Jr., Kenneth Cary of Breckenridge, Danny Cary of San Antonio, and Jeff Cary of Hamlin. One brother, Charles preceded her in death.

Funeral Services Held Sunday for Alvin Lakey, 38

Alvin Gwynn Lakey, 38, an aviation jet mechanic in the U. S. Navy for 20 years, died Wednesday, Aug. 20, at Navy Medical Center in Oakland, Calif.

He was born here Dec. 7, 1936.

Services were held here Sunday at 5 p.m. at McCoy Chapel of Memories with the Rev. Howard Jones, pastor of First Baptist Church, officiating.

Burial was in Hamlin East Cemetery.

Survivors include his father, Perry B. Lakey; one brother, George A. Lakey of Amarillo; and several aunts and uncles.

DWAIN ROGERS—County Maintenance Supervisor In Highway Beautification Finals

AUSTIN—Dwain Rogers, maintenance construction supervisor in Anson for the State Department of Highways and Public Transportation, is one of six finalists for the sixth annual Lady Bird Johnson Award for Highway Beautification.

A native of Jones County, Rogers is a 16-year veteran with the department. His first years were spent in the engineering section, and experience in highway design and construction taught him the importance of maintaining adequate vegetation to retard soil erosion.

"Rogers, who enjoys the beauty of wild flowers, also realizes their meaning to the public he serves. He therefore actively promotes their propagation and cultivation," said District Engineer Roger G. Welsch, of Abilene. "He uses nature in a constructive and efficient manner in addition to merely observing its beauty."

Rogers devotes considerable attention to rest

areas in Jones County, adding that extra touch that invites passing motorists to pause and enjoy their beauty. One rest area on Lake Fort Phantom Hill a few miles from the historic ruins of Fort Phantom has a retaining wall in which are cast symbols depicting the settling of the area from the day of the Indian to the modern farmer and rancher.

Rogers cooperates with local groups when they have beautification projects; he recently assisted the Hamlin

Garden Club by constructing concrete curbs and flower beds next to highway property.

Local Scout Troop Seeks New Members

Scoutmaster Sammie Ferguson announces that everyone interested in joining the local Boy Scout troop is invited to the meeting Monday night at the Boy Scout Hut. The meeting will begin at 7:30 and should conclude around 8:30, he said. The meeting will be conducted by Russell Cary, the newly elected Senior Patrol Leader.

Topics that will be discussed include: troop organization, the scout uniform, awards that can be earned and the various ranks of the Boy Scout troop. There will also be a question and answer period.

Parents are encouraged to come with their sons. Coffee will be served after the meeting.

The only requirement to become a Boy Scout is the boy must be 11 years or older.

Letters to The Editor

Dear Editor:

I will soon be moving away from Hamlin and all my dear friends and I want them all to know I will never forget Hamlin or the dear friends that I have here. My new home will be in Arlington and I hope to make friends there. I love people and can't live without friends.

I want to thank my doctors and nurses and all the hospital staff for being so good and nice to me and I want to thank all the ones that came to see me while I was in the hospital.

From one that lived 50 years just outside of Hamlin a few miles.

B. O. Bell Has Surgery In Houston

B. O. Bell, an owner of White's Auto Store here, had open heart surgery Thursday and is presently in the special care unit of Methodist Hospital in Houston. He is reported to be doing well.

Bell was in surgery from 7:30 a.m. to 12:30 p.m. Aug. 21 and was in intensive care through Saturday at 7 p.m.

Mrs. Bell is in Houston. They plan to stay in Houston with relatives about a week after he is released from the hospital. Hospitalization was expected to be from 10 to 14 days.

Mr. and Mrs. Rodger Bell and another son, Doyle of Edinburg, were in Houston last week through Sunday.

Elmer Martin Named On Subcommittee

Chairman of the House Committee on Environmental Affairs, Representative Bill Sullivan, and Speaker of the House Bill Clayton recently announced the appointment of Representative Elmer Martin of Colorado City to serve as a member of the special Interim Subcommittee which will study the problem of surface mining operation and land reclamation as applicable to Texas. This committee will also examine the energy required by certain pollutant control devices and techniques, the consequent increase in various forms of pollution due to the increased production of energy, and the relative effects of pollutant characteristics of each source.

A conference on energy related pollution is scheduled for Oct. 11 in Houston. Additional plans for committee hearings and site inspection are currently being organized.

Representative Martin was also named to the three-member special subcommittee on appropriated matters which will study the programs of the Texas Parks and Wildlife Department, the Texas Water Quality Board and the Texas Air Control Board in an attempt to save tax dollars. This subcommittee will be responsible for continuing the overview of the agency programs for which moneys were appropriated for the biennium beginning Sept. 1, 1975. The purpose of this continuing overview is to make certain that the money spent under the General Appropriations Act is carried forward for the program and purposes for which it was intended and to make certain that these programs are fulfilling a need.

\$500 CHECK IS PRESENTED—Charles Stenholm, left, of Stamford, immediate past president of the Texas Electric Cooperatives of Texas, presents the \$500 check from TEC to Shorty McIlwain and Russell May. McIlwain, center, was BOAC (Building Our American Communities) chairman last year when the local Future Farmers of America chapter earned statewide recognition by placing first in Texas in BOAC with their work done at the Hamlin Child Care Center. May is current FFA president.

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Voters living within the Hamlin Independent School District will soon be making a big decision on whether or not to support the \$1,250,000 bond election called for Sept. 11. We hope that a large majority of these voters will support this issue.

We do not believe that there is any question but what the district must rebuild the facilities lost in the fire back in March. Some voters may question the size of this building project but we do not believe that they can honestly question the need to replace our junior high school building and auditorium.

There are probably as many suggestions as there are voters as to how this can best be done. There are those who feel that we could get by with a lot less than the School Trustees have recommended and then there are those who feel that even this is not enough.

But in our view at least, the Trustees have spent endless hours studying this matter and have come up with what they consider to be of the best interest of the district and its children.

Those of us who have been out of school for some time find it hard to understand why it takes so much more in the way of facilities for a school today than it did back when we went to school. But if you spend some time around the schools of today you find that it takes a lot more programs today than it did back just a few years ago.

Added to this is that many of us only went to school in an 11-year system and now we have a 12-year system plus one year of kindergarten and already plans are underway for a second year of kindergarten.

School, like life, used to be much simpler than it is today. We can not expect our youngsters to go out into this computerized world without better tools than we were given when we went to school.

The cost of this proposed construction is high but then everything is high in this world plagued by inflation. And all indications are that things are going to continue to get higher and higher. Estimates are that if this project is delayed as much as 90 days it could cost another \$250,000.

With this in mind it is easy to see that if the voters turn down this bond issue and the board is forced to cut back and call another election that inflation itself would likely cost us as much as the board could readily find to eliminate from the program.

Because the board would be

—Continued on page 4

Pipers to Scrimmage At Olney Friday

The Pipers will travel to Olney Friday evening for their second scrimmage of the young football season, according to Coach David Bonds. The freshmen will open the controlled practice session at 6 p.m. They will be followed by the junior varsity at 7 and the varsity at 8.

Booster Club Sets Meeting Tuesday At 7

The Pied Piper Booster Club will hold its first meeting of the year here Tuesday evening in the high school cafeteria, according to Johnny Steele, president. The club will meet at 7.

Steele said that the meetings will be held on Tuesday evening instead of Monday as in the past.

Along with a business meeting, the club members will be introduced to the new coaches on the staff, hear a scouting report on Rotan and see the film of the Piper scrimmage.

Booster Club memberships are now on sale and are \$5.00 per family.

To Show Film

Time to Run, a film that is a mixture of problems and solutions, will be shown at the Central Baptist Church Sunday, Aug. 31.

The feature, filmed in Eastmancolor by World Wide Pictures, will be shown once beginning at 6:30 p.m.

Jess W. (Bud) Adkins, pastor of the church, extends an invitation to all to attend.

Rotan Extension Center To Serve Hamlin Area

SNYDER—Residents of the Hamlin area interested in college courses are invited to enroll for classes at the Western Texas College extension center opening in Rotan this fall.

Classes will meet in Rotan High School from 6:30-9:20 on Monday through Thursday nights. A student will attend class one night per week for each course in which he is enrolled.

Courses to be offered are English 131, U.S. History 131, Psychology 231 and Conversational Spanish 131.

Veterans eligible for VA educational benefits may receive these benefits as extension center students just as if they were on the Snyder

Coach Bonds said that he expected the Pipers to get a good check this week with Coach Charlie Davis's Olney squad. They scrimmaged Cisco last week to a 1-1 tie and have seven returning starters back on offense and eight back on defense.

Following his first look at the Pipers last Friday when they scrimmaged Seymour, Coach Bonds said that he was well pleased with his team.

He said that since the boys did not have an intrasquad scrimmage as his teams have had in the past with the Meet the Piper night he felt they played very well under the circumstances.

He also said that he was especially pleased with the defense since they had not really spent very much time working as a full unit before going into the scrimmage.

This will be the last practice session for the Pipers before they open the season next Friday against the Rotan Yellowhammers.

The Pipers will travel to Rotan for their opener and then will host Haskell here Sept. 12 in their first home game. On Sept. 19, the Pipers will travel to Clyde and then play their final non-conference game here with Cisco on Sept. 26.

The Pipers will open district play here with Anson Oct. 3, travel to Winters Oct. 10 and then host Ballinger here Oct. 17. After taking a week off, the Pipers will resume district play at Coahoma Oct. 31, play Stamford here Nov. 7 for homecoming and then close out their schedule at Colorado City Nov. 14.

As in the past the non-conference games will start at 8 and the conference games will start at 7:30.

campus of WTC, Dan Dever, Veterans Outreach Coordinator, said.

High school seniors who wish to earn college credit may enroll in the courses with the permission of their school principal and credits earned will become part of their permanent record following high school graduation.

Persons wishing further information about the program may contact Mrs. Pat Hamric, Rotan coordinator, at 735-3041 or 735-3370 or the office of the registrar at Western Texas College in Snyder.

Extension center classes will begin Sept. 4 and students may register as late as Sept. 11.

THE HAMLIN HERALD

HAMLIN, JONES COUNTY, TEXAS, 79520, THURSDAY, AUGUST 28, 1975

VOL. 70, NO. 44

PRICE 14¢

TO LIONS CLUB TUESDAY—

School Personnel Explain Need for New Buildings

"Don't let this community cheat our children out of these needed facilities," was the plea of Mrs. Inez Ferguson when she spoke to the Hamlin Lions Club here Tuesday noon on the upcoming school bond election set for Sept. 11.

Mrs. Ferguson was part of a panel of school personnel who presented the noon luncheon program on the need for the proposed building program. The program was presented by Marvin Carlton, junior high school principal and currently working on building program designs for the Hamlin Independent School District. Also appearing on the panel were David Bonds, athletic director, Tim Jones, band director, and Larry Butler, principal.

The Trustees of the school district have called a bond election for Thursday, Sept. 11, which will include two proposals. The first will be for issuing \$1,250,000 in bonds to build a new middle school and auditorium to replace the junior high building and auditorium destroyed in the March fire. The program would also include air conditioning the three buildings housing the lower grades and some remodeling on the present high school building. The second proposal would be for \$75,000 in bonds to construct an all weather track.

Mrs. Ferguson, who teaches in the middle school, told the Lions that most of the needs incorporated into the building program are to meet state requirements. She said, "School is a lot more complicated than it was when you and I went to school. Now seventh and eighth grade science must be taught in facilities equipped with a science laboratory."

She pointed out some of the areas where the school district is short of space under the existing temporary arrangements. Because of the need for laboratory facilities the eighth grade has been moved to the high school which has caused overcrowding at that facility. She said that four teachers are presently having to teach in two buildings, going from one to the other, because of the

split of junior high students.

Among the items required by state law that Hamlin does not presently have the facilities for beside the science laboratory include adequate library facilities and physical education facilities. She told the Lions that there was also not enough room for the Plan H Program, which is for educationally handicapped children, the migrant program, adult

education and the vocational and shop program.

The need for storage for books and equipment was pointed out by all the members of the panel.

Coach Bonds talked on the need for more facilities for the physical education program for the middle school children and also spoke on the need for the track facilities.

He told the Lions that

because of the conditions that the school was presently operating under, the seventh grade football games have been cancelled. He said that by the time you suit up the kids, haul them across town, haul them back and then get them back into their clothes for the next class you would only have about 20 minutes to work with them.

He said that under the proposed plan with the middle school located near the high school and the football field, the youngsters would be able to use the same football facilities as the high school without the loss of time in bussing.

In talking about the proposed track, Bonds said that about \$50,000 of the money would be needed to build the all-weather track and that the other \$25,000 would be spent to provide the equipment needed to host full scale track meets. He pointed out that with such a facility the school could host at least three track meets each spring which would bring a number of people into the community.

Jones said that the proposed auditorium-band hall complex would also permit him to host contests that could bring as many as 1,000 students into Hamlin. He said that the current high school band hall is only about half as big as is needed to handle his high school band and does not have room for equipment storage or practice rooms.

He said that with the new band hall, all of the schools' band classes could be held in one place which would cut down considerably on the amount of equipment that would be needed for three separate facilities. He also noted that with the band hall away from the academic classes there would not be the problem of noise disturbing other classes.

Butler told the Lions that the building now being used for the fifth and sixth grades was planned to be used as an Early Childhood Center but that this would have to wait until the district built a new middle school. He said that there was not any room for offices, storage, work rooms or even enough class rooms. Two Special Education teachers are using the same room and the music room is vastly overcrowded.

In closing Butler told the Lions, "Come up about two o'clock if you don't think we need air conditioning for the lower grades."

Meeting Set Tonight To Unite Fund Drives

A kick-off meeting to organize the various fund drives into one united effort for Hamlin will be held this evening (Thursday) at 8 p.m. in the conference room at City Hall.

The social agencies serving the Hamlin community will have representatives at the meeting and plans will be worked out for one major campaign. Each agency will not have individual door to door campaigns or solicitations.

To be formed is the Hamlin Community Fund Organization which will have

a board of directors, officers, general fund drive chairman and committees.

The entire community will be needed to make the united fund raising event successful.

Letters are being mailed this week from Pat Willoughby, president of the Board of Community Development, and Joe E. Ford, mayor, urging participation by everyone.

Emphasis will be placed on local programs so that the individual fund raising efforts by the Scouts, baseball, day care center, and others will be unnecessary.

Comedy Named Brazos West CSTE Coordinator

Don Comedy of Haskell was hired last week by Brazos West Development Corporation as a full-time coordinator for its Concerted Services in Training and Education for the counties of Haskell, Jones, Stonewall and Knox.

The committee met last week in Haskell to interview applicants, according to J. B.

Tabor, chairman of CSTE. Comedy will begin his duties Sept. 1, Tabor said.

Comedy, 24, has been editor of the Haskell Free Press for several years.

A 1969 graduate of Throckmorton High School, Comedy attended Cisco Junior College and Texas Tech University.

He served in the U. S. Navy and is currently in the U. S. Navy Reserve.

In previous years, he has been associated with the Lamesa Daily Reporter, Throckmorton Tribune, and Abilene Reporter-News. He also served as a legislative aide for a State Representative in the Texas Capitol.

Comedy is serving as president of the Haskell Lions Club, is a charter member of the Haskell County Jaycees, is an officer in Haskell Lodge No. 682 AF&AM, Haskell Commandry No. 49 KT, and Haskell Chapter No. 892 OES.

He is married to the former Jeannine Isbell of Paint Creek.

Youth Choir Sets Fair Performances

The Sound of Celebration, youth choir of First Baptist Church, under the direction of Lynn Mink, is in rehearsal for two appearances at the West Texas Fair in Abilene.

The Reflections, New Image and Sunshine will also be featured in the two appearances, at 8:30 p.m. Sept. 10 and 9 p.m. Sept. 13.

Oak Grove Sets Appreciation Service for Pastor

The second service of the Fourth Appreciation Service honoring the Rev. and Mrs. Leo F. Scott will be held Sunday at Oak Grove Baptist Church.

The special service will be held Sunday afternoon at 2:30 with the Sunday School, B.T.U., Deaconess Board, Senior Mission and Mission No. 2 sponsoring.

Guest churches and their pastors to take part in the service are New Light, Abilene, Rev. Alton Hurd; Mt. Olive, Slaton, Rev. C. C. Peoples; Bethsadia, Anson, Rev. W. Jackson; Bethel, Breckenridge, Rev. Ocie Lacy; Hope Well, Rev. Monty Ashford; Mt. Zion, Abilene, Rev. I. S. Moreland; and Macedonia, Abilene, Rev. T. G. Oliphant.

The Rev. Hurd will deliver the sermon. Choirs from the respective churches are expected to attend.

The first service held Sunday was sponsored by the Brotherhood, Usher Board, Y. W. A. and Choir.

Phone Directories Now At Herald

Telephone directories for area towns and most major cities which were maintained at the Southwestern Bell Telephone Co. office before it was moved to Sweetwater have been placed at the Hamlin Herald office.

The directories are for use by the public in the office during the regular hours from 8 a.m. to 5 p.m. weekdays.

Mrs. Kenneth Riddle, Hamlin service representative, transferred to Sweetwater with the closing of the local business office.

Customers who pay bills in person may do so at Heidenheimer's Department Store.

No School Monday

School will be dismissed Monday, Sept. 1, for Labor Day. Classes will resume Tuesday on schedule.

Bus Is Chartered for Billy Graham Crusade

A 46-passenger chartered bus has been filled for the Sept. 3 trip to the Billy Graham Crusade in Lubbock by members of First Baptist Church and arrangements are being made for additional busses as needed.

The pastor, the Rev. Howard Jones, said Tuesday afternoon that anyone in the community who would like to go to the crusade with the group may contact the church office (576-3664) and make reservations on the bus. The cost will be \$8 per person if busses are filled.

The busses will leave the church at 4 p.m. Wednesday, Sept. 3.

The Crusade in Jones Stadium in Lubbock begins

Sunday with meetings beginning at 8 o'clock each evening through Sunday, Sept. 7. Dr. Graham's visit to Lubbock is by invitation of clergy and business leaders of the community.

Three of the meetings will be taped for national television to be shown just prior to Christmas.

All seats at the Crusade are free, however, delegations of 20 or more may receive special reserve seats by writing the Crusade office at West Texas Billy Graham Crusade, P. O. Box 836, Lubbock, Texas 79408 or call 806-763-9436.

Youth nights for the Crusade are Monday, Thursday and Saturday.

IRA: WHAT IS IT?

By now, you have probably heard or read something about the new tax-sheltered Individual Retirement Accounts (IRA) which anyone not participating in a formal retirement program can establish for himself under the Pension Reform Act of 1974. Of all the reforms in that massive law, Individual Retirement Accounts (IRA) may well be the most beneficial to the average American. The key aspect to an IRA Account is that your contributions are tax deductible and the earnings in your IRA Account accumulate free from current tax.

To help you, we have answered below some of the basic questions you may have about these accounts. We would welcome the opportunity to discuss with you first hand how such an account might benefit you. There is no obligation, of course.

1. WHO CAN ESTABLISH AN IRA?

IRAs are available to any wage-earner who is not an "active participant" in a qualified retirement program and has not reached age 70½.

2. CAN HUSBAND AND WIFE EACH ESTABLISH AN IRA?

Yes, if both receive compensation, however, a wife will not be eligible to establish an IRA merely because her husband is receiving compensation.

3. BOTH MY SPOUSE AND I WORK. I AM COVERED BY A RETIREMENT PLAN BUT MY SPOUSE IS NOT. CAN MY SPOUSE OPEN AN INDIVIDUAL RETIREMENT ACCOUNT?

Yes, Either husband or wife, or both, can have IRA if they qualify.

4. CAN AN IRA BE ESTABLISHED AS A JOINT ACCOUNT?

No. An IRA is a retirement account for you, an individual. However, you can name a beneficiary if you choose.

5. CAN SELF-EMPLOYED INDIVIDUALS ESTABLISH AN IRA?

Yes. If you, a self-employed person, do not establish a Keogh Plan, you may establish an IRA covering just yourself. You do not have to cover any employees you have. You can, however, contribute for selected employees at your discretion and your contributions are deductible.

6. HOW MUCH CAN YOU CONTRIBUTE TO YOUR IRA?

Federal law allows a maximum annual contribution of \$1,500.00 or 15% of wages, whichever is less. Of course, you can contribute smaller amounts each year.

7. DO I HAVE TO MAKE CONTRIBUTIONS EVERY YEAR?

No. You decide how much and in what year you would like to deposit.

8. WHAT HAPPENS IF YOU CONTRIBUTE TOO MUCH IN ANY YEAR?

If more than the maximum allowable in any year is contributed, a 6% tax will be imposed on the excess contribution. The tax will continue to be imposed until you "undercontribute" in a later year.

9. ARE YOUR CONTRIBUTIONS TAX DEDUCTIBLE?

Yes. For Federal income tax purposes, your contributions to an IRA are fully deductible from gross income up to the maximum allowed by law. Contributions can be deducted even though you don't itemize deductions.

10. DO YOU PAY TAXES ON THE INCOME EARNED BY YOUR ACCOUNT?

The earnings of your account are not currently taxable. Each dollar of earnings produces additional earnings which also escape current income taxation. This tax-free compounding continues until retirement.

11. DO I PAY TAXES AFTER RETIREMENT?

Yes, but only as you actually receive payment from your retirement fund. If you receive your account in a lump sum, you must include the entire amount as ordinary income on the tax return filed for the year you receive payment. However, you may be eligible to use five-year income averaging provisions available to all taxpayers.

You may elect to receive payments periodically. In such case, you pay taxes only on the amount you receive each tax year.

Also, keep in mind that you will probably be in a lower income tax bracket after retirement. In addition, at age 65 you (and your spouse) qualify for a double personal exemption.

Even if you are in the same income tax bracket, you would have had the money that would have gone for taxes working for you all of these years.

12. WHEN CAN YOU RECEIVE PAYMENTS?

Under Federal law, no payments can be made to you before you reach age 59½, unless you become permanently disabled. If your death should occur sooner, funds in your account will be paid to your named beneficiary. You must begin to receive payments from your account by the time you reach age 70½.

To actually receive the funds, you simply notify us of the date you wish the payments to begin. We will supply you with the appropriate forms, upon which you can elect to receive either a lump sum or periodic annuity payments.

13. WHAT HAPPENS IF YOU TAKE YOUR ACCOUNT BEFORE AGE 59½?

If you receive all or part of your account before age 59½, and are not disabled, you will pay a stiff tax penalty. Not only will you have to include the amount received in your ordinary income for the year of receipt, but a Federal penalty tax equal to 10% of the amount received will be imposed.

14. CAN I PLEDGE MY ACCOUNT AS SECURITY FOR A LOAN?

No. This is prohibited by the Internal Revenue Service and the Bank's Master Plan. A severe tax penalty would result if you did so.

15. CAN I BORROW FROM MY ACCOUNT?

No. It is prohibited by the Internal Revenue Service and the Master Plan.

16. IS INTERNAL REVENUE SERVICE APPROVAL NEEDED?

Yes. However, we assume the responsibility for seeing that our Individual Retirement Accounts are approved by the Internal Revenue Service. So if you open an account with us, there's no delay or red tape as far as you are concerned.

17. HOW DO I OPEN AN INDIVIDUAL RETIREMENT ACCOUNT?

It takes only minutes to complete and sign an Adoption Agreement and to make your initial deposit at our Bank. We will need your Social Security number and birth date. If you name a beneficiary (optional), we will need the beneficiary's complete name, address, Social Security number and birth date. You will receive regular reports from the bank on the progress of your account. We will be glad to answer any questions you have.

18. DO I HAVE TO PAY ANY FEES TO OPEN AN ACCOUNT OR TO MAKE DEPOSITS?

No.

19. WHERE DO MY CONTRIBUTIONS GO?

They are placed in any of the interest bearing accounts the bank offers under your name as your IRA Account. They are kept separate from any other account you may have with us. Our interest bearing accounts currently range from 5% compounded daily on open savings accounts to 7½% on a six-year Certificate of Deposit. You choose the account that is best for you. Federal regulations require an interest penalty on Certificates of Deposit if cashed prior to maturity.

This chart demonstrates how your Individual Retirement Account can grow over a period of years. It presumes that \$1,500.00 is deposited on the first business day of each year and earns 7½% per annum interest. This is only an example. Deposits may be made at any time in any amount (within the annual maximum permitted), and the interest rate may vary.

AT END OF	TOTAL CONTRIBUTIONS	AT YEAR-END
5 Years	\$ 7,500.00	\$ 9,366.03
10 Years	15,000.00	22,812.18
15 Years	22,500.00	42,115.87
20 Years	30,000.00	69,828.82
25 Years	37,500.00	109,614.33
30 Years	45,000.00	166,731.56

In the above example, if at the end of 10 years, you quit depositing to your account and start withdrawing \$1,500.00 per year, you could do so indefinitely as your account would be earning more each year than you would be withdrawing.

Diane Ford, Derek Harris Exchange Vows Here Sunday

Diane Lynn Ford and Derek Edwin Harris of San Antonio were married here Sunday afternoon at 4 o'clock in a Double Ring Garden ceremony at the home of the bride's parents, Mr. and Mrs. H. L. Ford. The bridegroom's parents are Mr. and Mrs. William E. Harris of San Antonio.

The Rev. Howard Jones, pastor of First Baptist Church, officiated.

Presented in marriage by her father, the bride wore an ecru satin dress with lace inserts down the front and on the sleeves. She wore a picture hat with lace trim and carried a bouquet of summer flowers.

Mrs. Milton Reed of Abilene was matron of honor for her sister. She wore a deep orange dress and carried a bouquet of summer flowers in bright colors.

Phillip W. Northern of San Antonio was best man.

The reception followed with the bride's parents as hosts. In the houseparty were Mrs. Spencer Ford and Mrs. Jody Ford, sisters-in-law of the bride.

After a wedding trip to Dallas the couple will be at home in Lubbock at 1805 A 14th Street.

The bride, a graduate of Hamlin High School, is a sophomore at Texas Tech University.

The bridegroom, a 1972 graduate of Winston Churchill High School in San Antonio, is a senior at Texas Tech University. He is a member of Sigma Delta Chi, society of professional journalists.

Mrs. Phillips Honored On Birthday

Mrs. G. B. Phillips was honored on her 88th birthday Aug. 17 in her home by her children. Those hosting the event were Mr. and Mrs. Benson Phillips of Breckenridge, Mr. and Mrs. Elam Ewing of Sweetwater and Mr. and Mrs. George Tompkins of McCamey. Also hosting but unable to attend were Mr. and Mrs. Jack Phillips of Lubbock.

Other members of the family present were Clinton Ewing of Sweetwater, Mr. and Mrs. George Adams and family of Snyder, Jack Tolbert of Hamlin, Mr. and Mrs. Frank Weaver and Mr. and Mrs. R. M. Weaver and family, all of Ft. Worth.

Others attending the party were Mr. and Mrs. George Tabor and son of Everman, Mr. and Mrs. Virgil Tupin of Somerset and Mrs. Nellie Nichols of San Angelo.

The birthday cake for the occasion was baked and decorated by her daughter, Mrs. Elam Ewing.

Ruth Class Meets Here Tuesday

The Ruth Sunday School Class of Central Baptist Church met Tuesday afternoon for their monthly meeting in the home of Mrs. M. L. Haught.

The opening prayer was given by Mrs. W. J. Stewart who also gave the devotional on John 14. A Bible quiz was conducted by Mrs. Troy Money. The closing prayer was given by Mrs. R. Y. Cloud.

Others attending were Mmes. L. H. Clark, A. N. King and N. A. Putnam.

Refreshments were served.

New Son

William Robert Kitchen, new son of Mr. and Mrs. Bill Kitchen, Rt. 1, Hawley, arrived Aug. 21, at Stamford Memorial Hospital weighing 7 lb. 11 oz.

Maternal grandparents are Mr. and Mrs. Sam Carver of Hawley. Paternal grandparents are Mr. J. D. Kitchen of Stanton and Mrs. J. D. Kitchen of Hamlin.

Great-grandmother is Mrs. Grace Engles of Sapulpa, Okla.

MR. AND MRS. DEREK EDWIN HARRIS wed here in home ceremony

Holiday Lodge News

Residents celebrating birthdays this month were given a party by Mmes. Burt Fomby, Clinton Barrow, A. B. Carlton and Bill Rountree. They sang "Happy Birthday" and served refreshments and presented gifts to the honorees.

Members of the First Baptist Church held the weekly Bible class. Rev. Marshall Stewart conducted the Sunday School class. Afternoon church services were held by Central Baptist Church.

Homemakers Sunday School Class of First Baptist Church conducted the weekly Bingo game Monday evening. Cindy White played the piano for group singing, led by Mrs. Bob Hawes.

Several residents had visitors this week. Out-of-town guests included Mrs. Flowers' daughter-in-law from Noodle, Mrs. Williams' sister and brother-in-law from Merkel, Mrs. Stell's son and family from New Mexico and Mrs. Bond's son and family from New Mexico. Mrs. Flora Carter spent the day in Sweetwater with her daughter and family.

Anyone wishing to do volunteer work at the Lodge

may call Mrs. Buddy Lawlis, Activity Director, at 576-3643.

The Homemakers Sunday

School class is asking for donations of small items suitable for Bingo prizes for the residents. Handkerchiefs and socks for men and toiletries in plastic containers for men and women are suggested. These items may be taken to Mrs. Bob Craig, Mission Action chairman, at the Hamlin Herald or call 576-3606 or 576-3756 for these to be picked up.

PRIMARY SCHOOL MENU

Thursday: Hamburgers, potato chips, baked beans, cake and milk.

Friday: Fish and catsup, English peas, corn, peaches, rolls, butter and milk.

Tuesday: Ham and potatoes, green beans, fruit Jello, rolls and milk.

Wednesday: Meat loaf, pinto beans, spinach, fruit Jello and cornbread.

Thursday: Hamburgers, lettuce, tomatoes, onions, French fries, milk and cookies.

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Mr. and Mrs. David Roman of Lubbock visited in the home of Mr. and Mrs. Grady Cook Sunday and attended services at McCaulley Baptist Church. Mrs. Roman is the Cooks' granddaughter.

Mrs. B. F. Kemp of Holiday Lodge, Hamlin, visited in the home of Mr. and Mrs. Frank Kemp Sunday.

Mr. and Mrs. Jim Dixon are keeping their grandson, Jeremy Lynn Beal, this week while his parents, Mr. and Mrs. Charles Beal, are on a business trip to Utah.

Mr. and Mrs. Edd Farmer and children visited with Mr. and Mrs. Harley McGough and Mr. and Mrs. Hubert Farmer of Clyde this week-end.

Mr. and Mrs. Robert McDonald have moved their mobile home into McCaulley just north of the Davis home.

McCaulley Eagles were the victors Friday night of the scrimmage with Moran. McCaulley had ten players and Moran had fourteen. Coach Farmer said his defense looks good but he had some work to do on the offense this week before they scrimmage with Water Valley at Blackwell Friday night. Game time is 7 p.m.

Mr. and Mrs. Billy Jeffrey, Fonda and Todd and Eddie Gibson attended the Gibson

Reunion at Lake Brownwood last weekend. Mr. and Mrs. Truett Jeffrey also attended.

Renovation and remodeling of the school buildings at McCaulley is about finished. Our thanks and appreciation to Mr. and Mrs. Edd Farmer, Mr. and Mrs. Robert McDonald, Mr. and Mrs. Willard Franklin, Mr. and Mrs. Don Story, Mr. and Mrs. E. T. Gibson, Mr. and Mrs. James Smart and I am sure Bill Young was on duty until late hours at night helping to get the buildings in order.

Mrs. Evelyn Carter is Pep Squad sponsor, Annual Sponsor and in charge of Student Activities although other sponsors have not been selected. Plans now are for an open house in the near future to acquaint the community with the new faculty members and the changes in the school plant.

Eastern Star Sets Meeting

The obligation program conducted by Mrs. Cal Sewell will be held Tuesday at 8 p.m. in the Masonic Lodge Hall for all members of the Order of Eastern Star.

Mrs. Herbert Crouch, worthy matron, urges all members to attend.

FOR CYSTIC FIBROSIS—

'Kiss Your Baby Week'

Mothers who participate in "Kiss Your Baby Week" beginning Sunday, Aug. 24, may be giving their children the kiss of life.

One of the signs of cystic fibrosis - the most serious lung-damaging disease - is a salty taste of the skin. That's why the Cystic Fibrosis Foundation is asking mothers to "Kiss Your Baby" with very special attention.

If a mother does taste salt on her baby, she should see the doctor and make sure the baby has a test for CF. Early diagnosis and immediate treatment are vital to the child's life.

Additional signs of cystic fibrosis - and other lung-damaging diseases are: recurrent wheezing; persistent coughing with excessive mucus; pneumonia more than once; excessive appetite but poor weight gain; clubbing (enlargement

of fingertips), peristent bulky diarrhea and nasal polyps.

One out of every 1,500 babies has cystic fibrosis and many people don't realize that it is the number one genetic killer of children. For children who are diagnosed early, the outlook is very hopeful. Children with a chronic cough and wheeze sometimes are confused with allergy patients. They should have a sweat chloride test for cystic fibrosis.

Local chapters of the Cystic Fibrosis Foundation may be contacted for further information. Mrs. Robert Perry is local chairman. She has set the local drive here Sept. 22.

Jan Young Honored With Shower Here

A kitchen shower luncheon honoring Jan Young, bride-elect of Charles Sellers, was held Saturday in the home of Mrs. James Harrison with Mrs. Robert Fowler assisting as co-hostess.

The serving table was centered with an arrangement of white figi mums, ball mums and pom pom mums in a tea kettle which was presented as a gift to the bride-elect from the hostesses.

Guests were seated at foursome tables covered with red and white gingham cloths. Centerpieces were arrangements of mums in white vases tied with red and white gingham bows.

Special guests were the honoree's mother, Mrs. Gerald Young; her fiance's mother, Mrs. Cecil Sellers; the honoree's sister, DeDe Young; the sister of the prospective bridegroom, Sue Sellers; the honoree's grandmother, Mrs. E. G. Young; and sister-in-law of the prospective bridegroom, Mrs. Cecil Sellers Jr. and daughter Renee, both of Sweetwater.

Other Guests were Elaine and Elise Kelley, Rita Casey, Jan Ford, Mrs. Jerry Gooch, Mrs. Robert Moore, Mrs. Bob Briscoe, Kathy Tibbles, Marilyn, Carolyn and Lynda Harrison.

Mr. and Mrs. Johnny R. Miller and daughter of Clovis, N. M., visited in the home of his uncle, Mr. and Mrs. Fred Rosenbaum, over the weekend.

BEEN ON A TRIP? That's news call the Herald.

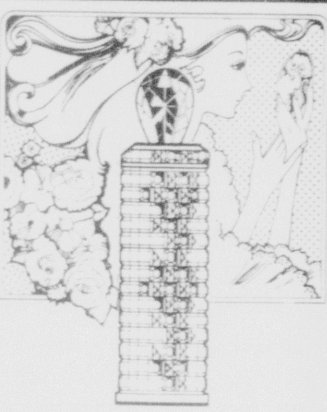

BIRTHDAYS CELEBRATED—Holiday Lodge residents honored at a Birthday Party Aug. 18 are from left, Jimmy Raney, Myrtle Bond, John Hayes, Roy Hudson and Norma Neighbours. A red, white and blue theme was used in decorations.

This weekend, call any other state* and talk five minutes for 86¢ or less... usually less!

*Except Alaska and Hawaii

Our weekend One-Plus rates are so low that you can talk awhile and still spend less than a dollar. For instance, a five-minute coast-to-coast Long Distance call dialed direct all Saturday and Sunday until 5 p.m. is only 86¢. An out-of-state call spanning fewer miles costs even less. If you can't wait till the weekend these same low rates are in effect every night from 11 p.m. to 8 a.m.

Where One-Plus dialing isn't available, One-Plus rates apply on station calls. If you dial direct and reach a wrong number, call the operator. You won't be charged.

Travel by Long Distance... and stay awhile.

For rates to Alaska and Hawaii, call the operator. One-Plus rates don't apply to person, coin, hotel-guest, credit card or collect calls or calls charged to another number.

Emmett Kelly Jr.
for Southwestern Bell

Want to know more ways to save on out-of-state Long Distance calls? Return this coupon and we'll send you a free calling guide.

FROM THE FILES . . .

FIFTY YEARS AGO
 Aug. 21, 1925)
 Probably the best attended picnic in the history of Hamlin was held last week. For three days attractions were held and several thousand were present each day. The second day, being the barbecue day, was the biggest. It was estimated that 7,000 or 8,000 people were in attendance. The picnic committee had 4,590 pounds of beef cooked, 100 gallons of pickles, 100 pounds of onions, 200 loaves of bread, six wash pots full of coffee and to keep the crowd well cooled, there were 15,300 pounds of ice used on the three days.

This week the Jones Dry Goods Store is lifting their goods into the building next door north. They have recently constructed a new front that is very modern, thus enabling a better display of goods. Since the first of July the Hamlin Baptist Church has been without a pastor, but this next Sunday, a new pastor will begin his work here. The Rev. J. Henry Littleton and his wife arrived Monday from Cross Plains where they closed their work to accept the Hamlin field. The cotton season slipped upon Hamlin with a boom Tuesday, with not one but three bales of cotton being ginned as an opener. The first to arrive in town was that of C. A. Terbrand, weighing 520 pounds and being ginned at the Planters Gin. It was bought by John T. Day for twenty-three and one-half cents.

TWENTY YEARS AGO
 Aug. 19, 1955)
 Hamlin's first bale of 1955 cotton came to town Monday, Aug. 15, which was one year earlier than last year's initial bale. R. J. Middle, farming six miles southeast of Hamlin, harvested the first bale of the new season. The ginned bale, which was a copper of 590 pounds, was processed from 70 pounds of seed cotton, also produced 30 pounds of cottonseed. The bale of cotton was picked from 13 acres and was owned by the Hamlin Farmers Cooperative.

About 90 musicians had enrolled by Tuesday in the pre-school band clinic being conducted for two weeks by Jess Parrish, director of the Hamlin High School Bands. Classes in general instrument handling and playing are being conducted this week, and next week will be devoted to marching. Eight Hamlin people were among the winners of the 32nd West Texas counties contest last week attended the first of a series of six district school lunchroom workshops, held at Texas Technological College at Lubbock. Attendees from Hamlin were John School Principal and Mrs. B. V. Berry, Mrs. A. F. Dixon, Mrs. Edd Rogers, Mrs. L. B. Petty, Mrs. Cecil Brown, Mrs. Travis Conner and Mrs. Eva Jones.

After nine years' service as superintendent of Hamlin Schools, I. R. Huchingson announced Wednesday morning that he had accepted the position as executive director of the Texas Lions Club Crippled Children's Home at Kerrville. He will resume his new position Sept. 1. Named as new superintendent of Hamlin Schools is Foster Cook of Spur.

TEN YEARS AGO
 Aug. 19, 1965)
 Superintendent of the Hamlin School System, Mr. C. F. Cook, announced recently that the Hamlin school will open Monday, Sept. 30. Registration dates will be announced by each principal. Cook said the transfer of the faculty is complete and will be announced next week.

Five hundred pounds of dressed beef will be barbecued Saturday for the annual Chamber Club Barbecue to introduce the new coaching staff and players to the local fans. The event is sponsored each year by the Pied Piper Booster Club with the merchants and individuals of Hamlin dividing the cost through donations. Everyone is invited to the free barbecue that will start at 7:30 p.m. Saturday evening, according to Sam Ferguson, president. The Hamlin School band will play for the event. Members of the Booster Club include: Sam Ferguson, president; Lewis Woolf, vice president; Burt Oliver, secretary-treasurer; and Raymond Scifres, Bill Chapman, Pearce Davis and Bernie McBride, directors.

An open house at the new clubhouse at the View Golf Course is being planned for Saturday from 2 to 5 p.m., according to the president, R. D. Compton. The new building,

of concrete block construction, features a large room approximately 20 x 45 feet, men's and women's lounges, a kitchenette, a pro shop and a covered porch, the length of the building. The interior of the modern air conditioned building is done in beige tones with white ceiling.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

faced with the need to make big cuts in the program if this issue fails it is obvious that those who are interested in seeing the lower grades get their air conditioners and those who might like to see the band have a new band hall had better get out and work for this issue.

We do not know it to be a fact, but it seems obvious to us that this is the only chance there will be for the lower grades to be air conditioned. We strongly doubt that the district could ever come up with the money any other way except an overall program such as this one.

We have no way of knowing, but it would seem to us that if this issue fails to pass this time that the board might be faced with the problem of even eliminating the auditorium from the project on the next time around. With the built-in inflation factor being what it is, that is about the only way that we can see that the issue could be cut down enough to make any appreciable impact on the amount of bonds that would be needed.

With inflation adding another big hunk to the cost of any delay in the construction, just cutting out some of the smaller items in the overall program would not likely lower the cost enough to make the issue any easier to sell the second time around.

Sure, the \$1,250,000 bond issue is a lot of money, but to just sit back and let the school system and the city of Hamlin slide backward into oblivion could be much more expensive for all of us.

Spanish Speaking Service Saturday

An all-Spanish speaking service will be held Saturday at 7:30 p.m. at the Little Rock Church (United Pentecostal), 219 N. E. Ave. B.

Rev. Felix Nito of Ballinger will be the special speaker, according to the local pastor, the Rev. Jimmy Skiles.

Rev. Skiles said there will be lots of good gospel singing, preaching and worshipping in Spanish. Everyone is invited.

PREDIGASION EN ESPANOL

QUANDO: El savado en la noche Agosto 30, 7:30 p.m.
 ONDE: 219 N. E. Ave. B. La Iglesia Chicita De Redra.
 QUEIN: El Hermano Felix Nito de Ballinger ira a predigar. Cantos predigason y testimonio servisos. Seran en Espaniol.
 Todos bien benidos.

Pfc. Martha E. Ellison, a security clerk in the U. S. Army assigned to Fort Sill, Okla., is on leave this week visiting her parents, Mr. and Mrs. L. N. Ellison. She returns to Fort Sill Friday.

for the Days AHEAD

Even now trees are being felled, cords of wood cut, in preparation for cold winter days which are sure to come. Woodcutters are preparing for the days ahead, to bring comfort against the cold.

To prepare for our future "cold days," periods of sadness, times of bereavement, and times when we are tempest tossed, begin now to attend church regularly and let God, His Church, and His people help you to meet any situation in life.

"Blessed be God, even the Father of our Lord Jesus Christ, the father of mercies, and the God of all comfort; who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God." 2 Cor. 1:3, 4.

Philosopher Claims He Knows Why Russia Unable to Produce All the Grain It Needs

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One gives a scientific explanation of why Russia can't produce all the food it needs.

Dear editor:
A neighbor the other day asked me a question. "Why," he said, "can't the Russians grow all the grain they need? They've got more land than we have, they've got more people, they've got enough tractors, they're even exporting tractors, so why can't they feed themselves?"

Obviously, he doesn't understand the soil in Russia. You see Russian soil is not all the same.
For example, as you know, the state over there owns all the land, and what a farmer produces on that land goes to the state, with one exception. Each farmer is allowed a small plot, maybe a fifth of an acre, maybe a half, but not more than one whole acre, on which he can grow what he pleases and keep it all himself or sell it and keep the money.

It's amazing how much better those small plots are than the rest of the farm. Why the average Russian farmer can grow ten times as much per square foot on his part than he can on the state's.

This has baffled the Soviet leaders. They just can't figure it out. The land is the same, they say, one part gets just as much or as little rain as the rest, yet invariably the small plots out-produce.

I understand this matter has come up before the

Omar Burleson Commended By Business Group

Washington, D. C. — Congressman Omar Burleson was congratulated today by the National Federation of Independent Business (NFIB) for his strong voting record in support of small business. Representative Burleson voted 91 per cent in favor of the legislative positions taken by the nation's independent businessmen and women.

Commending the Congressman, Wilson S. Johnson, President of NFIB, praised Congressman Burleson for his "outstanding effort on behalf of small business." He continued, "NFIB believes it is vitally important for Members of Congress to be aware of the important role played by small business in their local communities and in the nation's economy."

In response to the NFIB commendation, Congressman Burleson said this comment: "It is, of course, gratifying to have this recognition. My record in support of small business is no more than it should be. Small, independent business personifies our private enterprise system and serves a vital role in our society."

saying nothing. It's cold in Siberia.

I can see the Minister of Agriculture tackling the problem himself. 'Ivan,' he says, after Ivan has just come in from an 8-hour day on state-owned land driving a state-owned tractor that needs oil but he'll get around to that tomorrow or sometime, "how is it that you always produce better cabbage in your garden here than you do out there in the field?"

"I've always wondered about that myself," Ivan probably says. "It's hard to explain. Maybe the soil is better. Here, take this nice head of cabbage home to your wife and kids. Want some of these potatoes? They taste better than those field-grown ones."

There's a great opportunity in Russia for better soil scientists.

Your faithfully,
J.A.

Campaigns For and Against Constitution Launched

AUSTIN — Campaigns for and against a new Texas constitution are getting off the ground.

Proponents of the far-reaching revision to be voted on November 4 have opened an Austin headquarters under the direction of former State Supreme Court Chief Justice Robert W. Calvert and State Rep. Ronald Earle of Austin.

Opponents, for the time being led by State Sen. Peyton McKnight of Tyler, are setting up shop in an office building across the street.

First copies of a proposed voter's guide to the revision document were placed in the mail last week. They present complete text of the eight propositions to be voted on, with a comparison summary of the "old" and "new" constitutional provisions.

Acknowledged opposition has centered largely on the proposal for annual sessions of the legislature — a 140-day session during odd-numbered years and a 90-day meeting on even-numbered years.

House Speaker Bill Clayton and Lt. Gov. Bill Hobby, concerned over effect of the opposition, asked an attorney general's opinion on whether the short, even-year session could be limited by law or legislative rule to budgetary and emergency matters.

Their proposal immediately stirred strong disapproving comment from both proponents and opponents of revision, indicating, perhaps, a hot campaign during the next three months.

Ouster Rules Drawn
A Senate committee approved rules for the impeachment trial by 31 senators of 229th District Judge O. P. Carrillo September 3.

Carrillo personally appeared at the committee hearing with his attorneys Leon Jaworski, the former Watergate prosecutor, who will be special counsel to the Senate presiding officer, urged proceedings be conducted "on a high plane in strict accord with the rules."

The committee tentatively approved live broadcast news coverage of the trial and recommended a gag rule to restrict comments by senators on proceedings in which they sit as court and jury.

Carrillo subsequently has been indicted by a Jim Wells County grand jury. He already faced a September 8 trial date on an income tax case in federal court at Corpus Christi and an October 2 hearing by a Judicial Qualifications Commission master in removal proceedings.

Allowable Wide Open Again
The Railroad Commission set the oil allowable for the 42nd straight month at 100 per cent of potential.

Franklin Shearer At Camp Buckner

West Point Cadet Franklin A. Shearer, 19, son of Mr. and Mrs. Franklin C. Shearer, is attending summer training at Camp Buckner on the reservation of the U.S. Military Academy.

The training includes familiarization with weapons, survival techniques, tactical skills, field engineering and leadership development.

Garry K. Kiser

Completes Training

Navy Seaman Garry K. Kiser, son of Mr. and Mrs. Raymond K. Kiser of Sylvester, was graduated from recruit training at the Naval Training Center, Orlando, Fla.

Classes include instruction in seamanship, military regulations, fire-fighting, close order drill, first aid and Navy history.

He is scheduled to report to Electronics Technician School, Great Lakes, Ill.

CAPITAL HIGHLIGHTS—

Commissioner Jim Langdon said a 15 per cent short fall is expected in interstate gas pipelines this winter.

Any action by the federal government to take Texas gas reserves to make up for shortages in other states would amount to "a rape of

Texas," Langdon commented.

"If it is a cold winter, and indications are that it will be, things are going to be pretty tough, gentlemen," Langdon told oil and gas company representatives at the Commission's meeting to set the allowable.

AG Opinions
A state representative who intentionally charges expenditures to the state in

excess of the authorized amount is subject to prosecution under the penal code, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

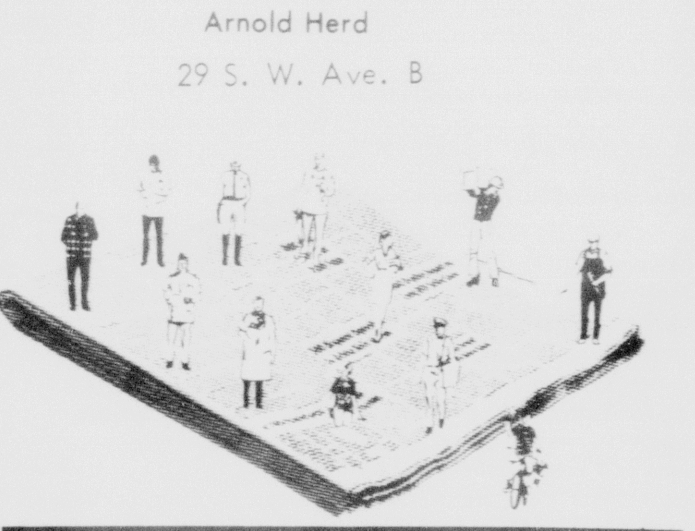

—A motion for discovery rather than the Open Records Act is the appropriate means for access to information in a welfare recipient's case file concerning pending criminal charges against him.

Some Read The Bible; Some Listen To It

A harried businessman on his way to an important conference, a homemaker struggling with her housework, a family taking small children on a long car trip have one opportunity in common—a chance to listen to the Bible.

The catchword was "listen," not read.

Because *The Living New Testament* is now available in stereo cassette form.

And since it is, the men, women, and children who haunt the pages of religious history have come alive for today's readers.

The shepherds minding their flocks on the Judean hillsides are not the only ones to hear the angels sing of Jesus' birth. Willy King Herod questions more than the wise men about the newborn king and the devious pharisees demanding answers of Jesus speak also to today's listeners.

The counsel of Paul is available for those who listen as he describes the Way for the people of the Way.

"I took those tapes to my office the day they arrived," said the businessman earnestly. "Before I go to important conferences I make it a point to listen for about 30 minutes to portions of Paul's letters or from one of the Gospels. They give me the spiritual insight to make correct decisions."

"We've also been delightfully surprised that children have so readily adopted the cassettes," said Dr. Kenneth Taylor, paraphraser of *The Living Bible*.

"Children seem fascinated by the drama, especially if

they are acquainted with the scripture at all. And we've had many parents tell us that their children won't get in a car for any kind of trip without having the cassettes and player with them. They nudge each other and say, 'listen to the rooster crow,' or 'listen to the music.'"

Another parent suggested the tapes are particularly appropriate for family devotions. "That way you have a dramatic program that both entertains and inspires," she said.

The tapes also are particularly fine for the elderly who can not read for any length of time but still would like to listen to the Bible being read.

This appealing new way to get acquainted with the Bible through listening rather than reading is the result of months of hard work involving at least 20 professional actors. Some of them, using different voices played numerous roles in taping the script.

The Living New Testament in cassettes was taped at Domain Agency, Inc., in Wheaton, Ill. Domain Agency has many years of experience in working with Christian broadcasters.

"We live in a day of electronics and it seemed that putting *The Living New Testament* in dramatic form would have great appeal," said Mrs. Faith Main of the agency.

"It all came about because Dr. Kenneth Taylor saw the need to add another dimension in sharing the

word with as many people as possible."

Taping was directed by Jim Grant, a writer, actor, and film director who also narrated *The Living New Testament*. The man who portrayed the Apostle Paul in the work was Dick Noel, for six years an announcer for Lowell Thomas.

After the narration was completed—a job requiring nearly six months—sound effects and music were added. Then Grand went back through the entire master tape to add the chapter numbers.

"We recorded without chapter breaks in order to add continuity to the message," said Mrs. Main. "After we finished, Dr. Taylor suggested that adding the chapter numbers would make it easier to locate certain places in the Scriptures. But even those additions were included so carefully that they don't break the thought."

Dr. Taylor said the cassettes were "an exploratory venture in the beginning, but people have responded to them. And we were thinking in terms of people, in terms of bringing the text alive for them when we decided to go ahead with the cassettes."

"After all, faith comes by hearing and hearing by the word of God. And faith is what we're trying to encourage with the *Living New Testament* cassettes."

A person interested in listening from the first chapter of Matthew straight through to Revelation 22 can do so in only 20 hours.

Cancer Society Board Members To Meet Monday

Board members of the Jones County Units, American Cancer Society, will meet Monday, Sept. 8, at 7 p.m. at Cliff House Restaurant, Stamford, according to Board President Don Howard, Stamford School Superintendent.

Dr. Dale Brannom, Abilene physician, will be guest speaker. He has served many years in the work of the American Cancer Society in Jones and Taylor Counties and is now District Executive Committee Chairman, District 16, Area VI, ACS.

Mrs. W. L. Hunter Jr. of Hamlin, vice president of the Jones County Unit, is program chairman for 1975-76. She stated, "The Unit encourages and conducts programs for the continuing education of the public concerning cancer, fosters programs of service and rehabilitation for cancer patients, and is active in Crusade and Memorial programs." Mrs. Hunter added, "And all of this is done through volunteers—Jones County people volunteering their time and their talents."

Other officers are Mrs. B. B. Gay, recording secretary; Mrs. Eck Gillespie, treasurer; Mrs. George Kinney, assistant to the President; and Mrs. John C. Bryant, assistant to the Vice President.

Memorials to the American Cancer Society may be sent to Miss Arrie Barrett, 1320 Ave. K, Anson; Mrs. Kenneth Riddle, 112 S.W. Ave. E, Hamlin; and Mrs. James H. West, P.O. Box 173, 500 Adams Rd., Stamford.

Hamlin board members are Mmes. John C. Bryant, Robert Fowler, W. L. Hunter Jr., Lois Patterson, Kenneth Riddle, Ann Sipe, Miss Jean Dillard, Miss Buna Rountree, and Dr. and Mrs. Joe Don Hymer.

Card of Thanks

CARD OF THANKS

We wish to thank our many friends for every act of kindness shown us during our time of sorrow. The lovely cards sent to Curtis during his long stay in the hospital in Houston meant so much to him and were appreciated by all of us. These words can't express our appreciation during these last days to everyone for every kind deed. The lovely flowers, food, cards, and thoughtfulness of all of you. We would like to especially thank Bros. Stewart and Robinson, also each and everyone who took part in the choir. May God bless all of you. We shall always remember you with love.

The Family of Curtis Benson

CARD OF THANKS

With grateful hearts, we thank all those who did so much to help us in our time of grief. The kindness and thoughtfulness shown us was indeed helpful.

NOTICE OF BOND ELECTION

THE STATE OF TEXAS COUNTIES OF JONES, FISHER & STONEWALL HAMLIN INDEPENDENT SCHOOL DISTRICT

TO THE RESIDENT QUALIFIED ELECTORS OF THE HAMLIN INDEPENDENT SCHOOL DISTRICT:

TAKE NOTICE that an election will be held in the HAMLIN INDEPENDENT SCHOOL DISTRICT on the 11th day of September, 1975, in obedience to a resolution and order duly entered by the Board of Trustees of said School District, which is attached hereto and made a part of this Notice for all intents and purposes.

WITNESS MY HAND AND SEAL OF SAID DISTRICT, this 18th day of August, 1975.

Lewis E. Madden
Secretary, Board of Trustees
Hamlin Independent School District

RESOLUTION AND ORDER CALLING BOND ELECTION

THE STATE OF TEXAS COUNTIES OF JONES, FISHER & STONEWALL HAMLIN INDEPENDENT SCHOOL DISTRICT

WHEREAS, the HAMLIN INDEPENDENT SCHOOL DISTRICT has heretofore established a maintenance tax under the provisions of Article 2784e-1, V.A.T.C.S., as a result of the election held on the 11th day of May, 1963, and

WHEREAS, the Board of Trustees of the HAMLIN INDEPENDENT SCHOOL DISTRICT deems it advisable to issue bonds under the provisions of Chapter 20 of the Texas Education Code by submitting (at an election called for the purpose) the propositions hereinafter set forth; therefore,

BE IT RESOLVED AND ORDERED BY THE BOARD OF TRUSTEES OF HAMLIN INDEPENDENT SCHOOL DISTRICT:

SECTION 1: That said election shall be held on the 11th day of September, 1975, at the High School Gymnasium, Hamlin, Texas, and the entire District shall constitute one election precinct for said election.

SECTION 2: That the following named persons are hereby appointed officers of the election: Mrs. Joyce Scott, Presiding Judge; Mrs. LaFoy Patterson, Alternate Presiding Judge.

The Presiding Judge shall appoint not less than two or more than ten qualified clerks to serve and assist in holding said election; provided that if the Presiding Judge herein appointed actually serves, the Alternate Presiding Judge shall be one of the clerks.

On election day the polls shall be open from 8:00 A.M. to 7:00 P.M.

Mrs. J. O. Murphree is hereby appointed as the Clerk for absentee voting for said election, and the Superintendent's Office in the High School, Hamlin, Texas, in said District, is hereby designated as the place at which absentee voting shall be conducted for said election. For the period absentee voting is permitted by law, the hours designated for absentee voting shall be from 8:00 A.M. to 4:30 P.M. on each day except Saturdays, Sundays and official State holidays.

SECTION 3: That at said election the following propositions shall be submitted:

PROPOSITION NUMBER 1

"SHALL the Board of Trustees of the HAMLIN INDEPENDENT SCHOOL DISTRICT of Jones, Fisher and Stonewall Counties, Texas, be authorized and empowered to issue the bonds of said District to the amount of ONE MILLION TWO HUNDRED FIFTY THOUSAND DOLLARS (\$1,250,000) for school building purposes, to wit: the construction and equipment of school buildings in the District and the purchase of the necessary sites therefor, and shall there be pledged and levied, assessed and collected annually ad valorem taxes on all taxable property in the District sufficient, without limit as to rate or amount, to pay the principal of and interest on said bonds as the same become due, said bonds to be issued in one or more series or issues to mature serially or otherwise not more than FORTY (40) years from their date, and to bear interest at such rate or rates as in its discretion the Board of Trustees shall determine?"

PROPOSITION NUMBER 2

42 Predicted to Die In Labor Day Traffic

Austin State Public Safety Director Wilson E. Speir today estimated that Labor Day Weekend traffic in Texas will claim 42 lives.

The holiday period extends from 6 p.m. Friday, August 29 through midnight Monday, September 1. During a comparable period last year, Texas traffic killed 51 persons.

"Traffic will be particularly heavy near recreational areas such as beaches, lakes and campgrounds. Actually, in these situations, motorists need to be extra watchful for children playing and other pedestrians. Also, persons towing recreational vehicles and boats should be mindful of extra stopping distances and other problems unique to trailers," Speir said.

The DPS director called on motorists to cooperate in law enforcement efforts to hold speeds down during the holiday, noting that "excessive speed is still our top accident problem."

He also urged motorists to work with officers to eliminate the serious threat posed by drunk drivers.

In an effort to reduce the toll, Speir said extra DPS troopers will be on duty statewide. He said troopers and local officers will be especially watchful for speeding, reckless and drunk drivers.

In addition to these efforts, the Texas Department of Public Safety will also work with the news media in its "Operation Motorcade" accident awareness program. This program is designed to provide motorists with current information on accident dangers during the holiday period.

Funeral Services Held Sunday for Alvin Lakey, 38

Alvin Gwynn Lakey, 38, an aviation jet mechanic in the U. S. Navy for 20 years, died Wednesday, Aug. 20, at Navy Medical Center in Oakland, Calif.

He was born here Dec. 7, 1936.

Services were held here Sunday at 5 p.m. at McCoy Chapel of Memories with the Rev. Howard Jones, pastor of First Baptist Church, officiating.

Burial was in Hamlin East Cemetery.

Survivors include his father, Perry B. Lakey; one brother, George A. Lakey of Amarillo; and several aunts and uncles.

Funeral Services Set Today for Sharon Cary Beach

Sharon Cary Beach, 34, died at 10:45 p.m. Tuesday at Hamlin Memorial Hospital. Services will be held Thursday at 5 p.m. at First Baptist Church with the pastor, the Rev. Howard Jones officiating, assisted by the Rev. Bud Adkins, pastor of Central Baptist Church.

Burial will be in Hamlin East Cemetery conducted by McCoy Funeral Home.

Born Oct. 18, 1940, in Hamlin, she was the daughter of Mr. and Mrs. Robert Cary Sr. She attended school at Hamlin High School. She married Richard Beach in California. He preceded her in death in 1967.

She is survived by her parents; two sons, Larry and Todd, both of the home; four brothers, Robert Cary Jr., Kenneth Cary of Breckenridge, Danny Cary of San Antonio, and Jeff Cary of Hamlin. One brother, Charles preceded her in death.

Funeral Services Held Sunday for Ada Nixon, 85

Ada I. Nixon, 85, a resident here for 32 years, died Friday at 2:30 p.m. at Holiday Lodge Nursing Home.

Services were held Sunday at 2 p.m. at McCoy Chapel of Memories with the Rev. Jim Smith, pastor of First United Methodist Church, officiating.

Born Feb. 24, 1890, in Alabama, she was the daughter of the late Mr. and Mrs. J. K. Grisham. She married Gilbert Nixon in Brown County Mar. 8, 1908. He died Dec. 26, 1910.

She moved here from Rising Star. She was a Methodist.

Survivors include two daughters, Mrs. O. C. (Mary) Stice, and Mrs. W. H. (Tommy) Butler of Sweetwater; three sisters, Miss Nina Grisham of Rising Star, Mrs. Nola Jones of Childress and Mrs. Fannie Donica of Fort Worth; seven grandchildren and 17 great-grandchildren.

DWAIN ROGERS—

County Maintenance Supervisor In Highway Beautification Finals

AUSTIN—Dwain Rogers, maintenance construction supervisor in Anson for the State Department of Highways and Public Transportation, is one of six finalists for the sixth annual Lady Bird Johnson Award for Highway Beautification.

A native of Jones County, Rogers is a 16-year veteran with the department. His first years were spent in the engineering section, and experience in highway design and construction taught him the importance of maintaining adequate vegetation to retard soil erosion.

"Rogers, who enjoys the beauty of wild flowers, also realizes their meaning to the public he serves. He therefore actively promotes their propagation and cultivation," said District Engineer Roger G. Welsh, of Abilene. "He uses nature in a constructive and efficient manner in addition to merely observing its beauty."

Rogers devotes considerable attention to rest

areas in Jones County, adding that extra touch that invites passing motorists to pause and enjoy their beauty. One rest area on Lake Fort Phantom Hill a few miles from the historic ruins of Fort Phantom has a retaining wall in which are cast symbols depicting the settling of the area from the day of the Indian to the modern farmer and rancher.

Rogers cooperates with local groups when they have beautification projects; he recently assisted the Hamlin

Garden Club by constructing concrete curbs and flower beds next to highway property.

The Lady Bird Johnson Award was established in 1970 by Mrs. Lyndon B.

Local Scout Troop Seeks New Members

Scoutmaster Sammie Ferguson announces that everyone interested in joining the local Boy Scout troop is invited to the meeting Monday night at the Boy Scout Hut. The meeting will begin at 7:30 and should conclude around 8:30, he said. The meeting will be conducted by Russell Cary, the newly elected Senior Patrol Leader.

Topics that will be discussed include: troop organization, the scout uniform, awards that can be earned and the various ranks of the Boy Scout troop. There will also be a question and answer period.

Parents are encouraged to come with their sons. Coffee will be served after the meeting.

The only requirement to become a Boy Scout is the boy must be 11 years or older.

Johnson to recognize the department maintenance man who does the best job of highway beautification in his area. A selection committee appointed by Mrs. Johnson will judge finalists' entries on August 25 in Lubbock. The committee, headed by Professor Urbanovsky, chairman of the Department of Park Administration, Horticulture and Entomology at Texas Tech, includes Roy

White, Glen Biggs, Mrs. William Hobby and Mrs. Marshall Steves.

All nominees for the 1975 award will be honored at a barbeque luncheon hosted by Mrs. Johnson at the Lyndon B. Johnson State Park in Stonewall on September 18. The winners will be announced at a special program following the luncheon. Mrs. Johnson will present a handsome plaque and her personal check for \$1,000 to the first place winner, and a \$500 check to the runner-up.

Letters to The Editor

Dear Editor:

I will soon be moving away from Hamlin and all my dear friends and I want them all to know I will never forget Hamlin or the dear friends that I have here. My new home will be in Arlington and I hope to make friends there. I love people and can't live without friends.

I want to thank my doctors and nurses and all the hospital staff for being so good and nice to me and I want to thank all the ones that came to see me while I was in the hospital.

From one that lived 50 years just outside of Hamlin a few miles.

SWEETWATER SAVINGS ASSOCIATION

SWEETWATER ROTAN ROSCOE HAMLIN

Chairman of the House Committee on Environmental Affairs, Representative Bill Sullivan, and Speaker of the House Bill Clayton recently announced the appointment of Representative Elmer Martin of Colorado City to serve as a member of the special Interim Subcommittee which will study the problem of surface mining operation and land reclamation as applicable to Texas. This committee will also examine the energy required by certain pollutant control devices and techniques, the consequent increase in various forms of pollution due to the increased production of energy, and the relative effects of pollutant characteristics of each source.

A conference on energy related pollution is scheduled for Oct. 11 in Houston. Additional plans for committee hearings and site inspection are currently being organized.

Representative Martin was also named to the three-member special subcommittee on appropriated matters which will study the programs of the Texas Parks and Wildlife Department, the Texas Water Quality Board and the Texas Air Control Board in an attempt to save tax dollars. This subcommittee will be responsible for continuing the overview of the agency programs for which moneys were appropriated for the biennium beginning Sept. 1, 1975. The purpose of this continuing overview is to make certain that the money spent under the General Appropriations Act is carried forward for the program and purposes for which it was intended and to make certain that these programs are fulfilling a need.

Edwin Wheat Makes Star Rank

Edwin Wheat, son of Mr. and Mrs. E. O. Wheat, was presented the Star Rank at a recent Court of Honor. The award was presented by his Scoutmaster Steve Carriker.

Goodyear Cuts Big Car Tire Prices On Polyglas Whites
